Keep Christ in Christmas this year by turning to this slim volume of daily Advent meditations by Bishop Jacques-Benigne Bossuet, one of the greatest homilists in the history of the Church. Carefully selected to lift your soul to God in those hectic days that stretch from Thanksgiving to Christmas, these forty daily meditations will keep you mindful of the real meaning of Christmas while affording you an admirable distillation of the doctrines and piety of our Holy Catholic Church. With the help of Bishop Bossuet and the sense of God's grandeur and love that permeates his every word all through the rush toward Christmas you'll stay mindful of the holy words of Isaiah foretelling the birth of our savior; you'll find yourself marveling at the Annunciation and the Visitation; you'll rejoice in anticipation of the coming birth of Jesus; and, finally, you'll look forward to kneeling with St. Joseph and the Blessed Virgin in silent adoration of the incarnate Son of God. This year, you won't (as so often happens) arrive at Midnight Mass distracted, exhausted, and frazzled, having neglected your Advent devotions and your ordinary prayers, too. Instead, you'll find yourself stepping lightly into church, ready and eager to adore the newborn King, your soul what it should be: a fit dwelling place for the Redeemer. Don't waste another Advent! Let Meditations for Advent keep you prayerful amidst the worst distractions of the holiday season. Let it draw you daily closer to Jesus, whose birth the season celebrates, and whose birth your soul yearns to celebrate, too.

Christ as the Reality Living Stream Ministry
These studies are included in the correspondence courses of the Bible Baptist Seminary of Fort Worth, Texas. Other Seminary and Bible Institutes are investigating and in several instances have accepted Dr. Entzminger's Studies as text books in their regular courses. Dr. Entzminger's books are just what the title implies – "Bible Studies," and not just for reading. The Bible should be opened in the hands of the student and all references carefully studied. Invaluable to preachers, Bible teachers and to all Christian workers. Volumes of letters of highest commendation could be published concerning Dr. Entzminger's work. We give three or four: Luther C. Peak, B.D., Th.M. ' L.L.D., says: "... more original truths brought to light in Dr. Entzminger's Studies than anything I have read, than any Commentary or Exposition on the Bible I have ever studied." The late Dr. Fred W. Dyson, Dean of Bible Baptist Seminary, and Director of Personnel, said: "It has been my privilege to read and teach some of the books Dr. Entzminger has written, and I say unreservedly,

that I can recommend them wholeheartedly to anybody that loves Bible study. They are sound, scriptural, sane and very suggestive. No preacher or Sunday School teacher or Christian worker can afford to be without them." Dr. Oscar Wells, Professor of Theology in Bible Baptist Seminary, says: "I have found his expositions of God's Word – truly nuggets brought forth from the refiner's pen."

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Christians trying to model their lives after Jesus may find that He gets buried under lists, rules, and formulas. Now bestselling author Randy Alcorn offers a simple two-point checklist for Christlikeness based on John 1:14. The test consists of balancing grace and truth, equally and unapologetically. Grace without truth deceives people, and ceases to be grace. Truth without grace crushes people, and ceases to be truth. Alcorn shows the reader how to show the world Jesus -- offering grace instead of the world's apathy and tolerance, offering truth instead of the world's relativism and deception. Grace or Truth...or Both? Truth without grace breeds self-righteousness and crushing legalism. Grace without truth breeds deception and moral compromise. Is it possible to embrace both in balance? Jesus did. Randy Alcorn offers a simple yet profound two-point checklist of Christlikeness. "In the end," says Alcorn, "we don't need grace or truth. We need grace and truth. And for people to see Jesus in us, they must see both."

You know people around the world are struggling. A homeless man holds a sign that reads, "Anything helps." A poor child lives in a slum swarming with flies. A refugee mother is on the brink of starvation. You ask yourself, "But what can I do about such big problems?" You're looking for long-term solutions. John D. Barry shares incredible, and often shocking, stories about working among the impoverished and unchurched in the U.S. and abroad. And since Barry is a Bible scholar, Jesus' Economy is also deeply rooted in the Scriptures. It is a personal, sometimes funny, often heartbreaking account that presents a revolutionary pattern for lasting change. Jesus' Economy is based on self-sacrifice. His currency is love. It's called Jesus' Economy because it's about creating a spiritual and physical economy for those who need it most. Here is a thoroughly biblical and compassionate pattern for

addressing issues of poverty and offering the hope of the gospel. *Jesus' Economy*: • Shows how you as an individual can best encourage renewal in your community. • Demonstrates how your church community or any group can alleviate poverty. • Presents a unified plan for creating jobs, spreading the gospel, and meeting basic needs. • Focuses on community development and sustainability—lasting change, globally and locally. *Jesus' Economy* is a call to address our own spiritual poverty—as people who can too easily become distant from Christ—and it is a call to address the physical poverty all around us in a smart and sustainable way. *Jesus' teachings* show that with simple, everyday choices, you can make the world a better place and create enduring change. Here's how to live *Jesus' economy*—a currency of love. 100% of author's proceeds go to the nonprofit *Jesus' Economy*, to fuel the movement of creating jobs and churches in the developing world.

Meditations on the Trinity Crossway Books

Does the church use words that have lost their meaning? Are there Christian words and phrases that have lost their power to convict the human spirit and bring transformation to the world? One of the twentieth century's most renowned prophetic thinkers, A.W. Tozer, saw a dangerous trend gaining momentum even before his death—a trend that has become commonplace now in the twenty-first century. In this never-before-published book, Tozer sounds his alarm for the modern church: We must stop parroting words carelessly and instead allow the meaning that these words convey to empower, shape, and direct the work of the church. Yet *Reclaiming Christianity* is not just a warning; it is a spiritual guidebook for reconnecting to the deepest meaning of Christianity's sacred messages.

Joseph Smith's New Translation of the Bible And He Dwelt Among Us

The experience of loneliness is as universal as hunger or thirst. Because it affects us more intimately, we are less inclined to speak of it. But who has not known its gnawing ache? The fear of loneliness causes anguish. It prompts reckless deeds. To this, every age has borne witness. No voice is more insidious than the one that whispers in our ear: 'You are irredeemably alone, no light will pierce your darkness.' The fundamental statement of Christianity is to convict that voice of lying. The Christian condition unfolds within the certainty that ultimate reality, the source of all that is, is a personal reality of communion, no metaphysical abstraction. Men and women, made 'in the image and likeness' of God, bear the mark of that original communion stamped on their being. When our souls and bodies cry out for Another, it is not a sign of sickness, but of health. A labour of potential joy is announced. We are reminded of what we have it in us to become. That our labour may be fruitful, Scripture repeatedly exhorts us to 'remember'. The remembrance enjoined is partly introspective and existential, partly historical, for the God who took flesh to redeem our loneliness leaves traces in history. This book examines six facets of Christian remembrance, complementing biblical exegesis with readings from literature, ancient and modern. It aims to be an essay in theology. At the same time, it proposes a grounded reflection on what it means to be a human being.

The Grace and Truth Paradox Bloomsbury Publishing

Just like natural laws, there are spiritual laws with cause and effect. God set the universe in motion with the power of His words and established the law of confession, but many believers have suffered needlessly by misunderstanding the power of their words. Dr. Bill Winston, pastor, Bible teacher, and host of the national television program *Believer's Walk of Faith* broadcast to over 100 million homes, reveals scriptural examples and vital teaching on the importance of the spoken word. Believers will uncover the enemy's deceptive plan to use their own words against them and what they can do to turn their situation around. 'One of the best things that ever happened to me, my family, and my church, was the revelation of the law of confession - we

learned that the moment we win the battle over our words, we win stillness. Yancey shows how, like in Brother Lawrence's kitchen the battle!' Dr. Bill Winston Controlling your words is one of the biggest challenges anyone will face in this life; the Bible reveals that the power of life and death are in the words you say. As you begin to change the words you speak, you will rewrite their future and revolutionize your life.

False prophets, ministers from Satan disguised as angels of light, wolves in sheep's clothing...are in the earth today. This is an account of 22 years in a cult, which I thought to be the most holy place in the world, led by the most holy man in the world. I was deceived. My goal is for the reader to be aware, that we are in the last, of the last days, and that there is a thrust from the spirits of darkness, like never before, to steal, kill, and destroy. This book describes a man who from all appearances was the very mirror image of the love and wisdom of God Himself. He could 'become' to us whatever we needed. He was a master of deceit, a sexual predator, and destroyer of souls. His goal was, and is, to deceive even the very elect, as the Bible teaches us. I want to warn readers: Never say, "I could never be deceived." And Evil Dwelt Among Us will show the love, mercy, and patience of a God who waited and never left my side, even though I turned and gave my allegiance to a man rather than to Him.

Many Christians are familiar with the prophetic voice of Tozer, but few living today were blessed to sit under his weekly teaching from the pulpit. The Gospel of John was Tozer's favorite book of the Bible, and the focus of these writings (adapted from sermons given to his parishioners) is the Incarnation and what it means for believers' lives. Christ came down to earth in order to lift men and women up into the heavenlies. No other New Testament writer, not even the amazing apostle Paul, presents Christ with a passion equal to John's, the Beloved. Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ, challenging readers to discover a fresh and overwhelming desire for Him. Readers will be captivated anew by the One we call Lord.
