The one great obsession of A.W. Tozer's life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before published, this book presents A.W. Tozer's systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever.

Who is Jesus Christ? You've never met Him in person, and you don't know anyone who has. But there is a way to know who he is. How? Jesus Christ - the divine Person revealed in the Bible - has a unique excellence and a spiritual beauty that speaks directly to our souls and says, "Yes, this is truth." It's like seeing the sun and knowing that it is light, or tasting honey and knowing that it is sweet. The depth and complexity of Jesus shatter our simple mental frameworks. He baffled proud scribes with his wisdom but was understood and loved by children. He calmed a raging storm with a word but would not get himself down from the cross. Look at the Jesus of the Bible. Keep your eyes open, and fill them with the portrait of Jesus in God's Word. Jesus said, "If anyone's will is to do God's will, He will know whether the teaching is from God or whether I am speaking on my own authority." Ask God for the grace to do His will, and you will see the truth of His Son. John Piper has written this book in the hope that all will see Jesus for who he really is and will come to enjoy him above all else.

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

Christians trying to model their lives after Jesus may find that He gets buried under lists, rules, and formulas. Now bestselling author Randy Alcorn offers a simple two-point checklist for Christlikeness based on John 1:14. The test consists of balancing grace and truth, equally and unapologetically. Grace without truth deceives people, and ceases to be grace. Truth without grace crushes people, and ceases to be truth. Alcorn shows the reader how to show the world Jesus -- offering grace instead of the world's apathy and tolerance, offering truth instead of the world's relativism and deception. Grace or Truth...or Both? Truth without grace breeds self-righteousness and crushing legalism. Grace without truth breeds deception and moral compromise. Is it possible to embrace both in balance? Jesus did. Randy Alcorn offers a simple yet profound two-point checklist of Christlikeness. "In the end," says Alcorn, "we don't need grace or truth. We need grace and truth.

And for people to see Jesus in us, they must see both."

This book is not a before-and-after story. Our culture treats suffering like a problem to fix, a blight to hide, or the sad start of a transformation story. We silently, secretly wither under the pressure of living as though suffering is a predicament we can avoid or annihilate by working hard enough or having enough faith. When your prayers for healing haven't been answered, the fog of depression isn't lifting, your marriage is ending in divorce, or grief won't go away, it's easy to feel you've failed God and, worse, he's failed you. If God loves us, why does he allow us to hurt? Over a decade ago chronic illness plunged therapist and writer K.J. Ramsey straight into this paradox. Before her illness, faith made sense. But when pain came and never left, K.J. had to find a way across the widening canyon that seemed to separate God's goodness from her excruciating circumstances. She wanted to conquer suffering. Instead, she encountered the God who chose it. She wanted to make pain past-tense. Instead, God invited her into a bigger story. *This Too Shall Last* offers an antidote to our cultural idolatry of effort and ease. Through personal story and insights from neuroscience and theology, Ramsey invites us to let our tears become lenses of the wonder that before God ever rescues us, he stands in solidarity with us. We are all mid-story in circumstances we did not choose, wondering when our hard things will end and where grace will come if they don't. We don't need to make suffering a before-and-after story. Together we can encounter the grace that enters the middle of our stories, where living with suffering that lingers means receiving God's presence that lasts.

be raised again--all so that we might be saved, and live eternally with him in Heaven. Jesus is most often thought of as being quiet and peaceful. However, we must remember that he was known to become angry and raise his voice against those who were hypocritical and sinful. He even went to the extreme measure of yelling at, and taking a whip to merchants and businessmen who were desecrating the Temple grounds.

Taking Rites Seriously is about how religious beliefs and religious believers are assessed by judges and legal

scholars and are sometimes mischaracterized and misunderstood by those who are critical of the influence of religion in politics or in the formation of law. Covering three general topics - reason and motive, dignity and personhood, nature and sex - philosopher and legal theorist Francis J. Beckwith carefully addresses several contentious legal and cultural questions over which religious and non-religious citizens often disagree: the rationality of religious belief, religiously motivated legislation, human dignity in bioethics, abortion and embryonic stem cell research, reproductive rights and religious liberty, evolutionary theory, and the nature of marriage. In the process, he responds to some well-known critics of public faith - including Brian Leiter, Steven Pinker, Suzanna Sherry, Ronald Dworkin, John Rawls, and Richard Dawkins - as well as to some religiously conservative critics of secularism, such as the advocates for intelligent design.

Spirituality needs fresh meaning. Even the disciplines of the Spirit have gotten covered with dust and lay unused by Christians. of bread. The benefits of this book of devotion include: Finding a nearness to the holiness of God Feeling and experiencing the forgiveness of God Learning again the disciplines of celebration, confession, and conversion Each chapter pairs a spiritual discipline or practice with a baking discipline. You will encounter ancient practices such as the prayer of examen, lectio divina, intercessory prayer, icons, and stillness. Yancey shows how, like in Brother Lawrence's kitchen in *The Practice of the Presence of God*, that when you lift up your hands to God and pray, God will show up right there in the midst of your work and livelihood while you bake. *Out of the House of Bread* is a glorious celebration of the sacraments and the seasons of God, meant as reminders and symbols to take us to God in worship. An appendix, about gluten-free and vegan bread and the spirituality involved, will close off the book.
