Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

**Dogmatic Constitution on Divine Revelation** Zondervan Academic

The writers and chief actors of the Old Testament expressed a deep longing for the presence of God. This longing is symbolized through history in the Garden of Eden, the ark of the covenant and the tabernacle that housed it, the temple, and the ruins of the temple. In response to this longing, God shares his ultimate mission, in which his people play a part: the expansion of Eden - the temple of God's presence - to all peoples throughout the earth. The temple has always been a source of rich scholarship and theological reflection - but what does it mean for the church's ongoing mission in the

world? Beale and Kim build a bridge from the world of biblical theology to our modern-day life. They help us to see clearly that the themes of Eden, the temple, God's glorious presence, new creation, and the mission of the church are ultimately facets of the same reality. Hence, from Eden to the New Jerusalem, God's people are his temple on the earth, the first-fruits of the new creation. God has always desired to dwell among us; now the church needs to follow its calling to extend the borders of God's kingdom and take his presence to the ends of the earth.

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.

This book is not a before-and-after story. Our culture treats suffering like a problem to fix, a blight to hide, or the sad start of a transformation story. We silently, secretly wither under the pressure of living as though suffering is a predicament we can avoid or annihilate by working hard enough or having enough faith. When your prayers for healing haven't been answered, the fog of depression isn't lifting, your marriage is ending in divorce, or grief won't go away, it's easy to feel you've failed God and, worse, he's failed you. If God loves us, why does he allow us to hurt? Over a decade ago chronic illness plunged therapist and writer K.J. Ramsey straight into this paradox. Before her illness, faith made sense. But when pain came and never left, K.J. had to find a way across the widening canyon that seemed to separate God's goodness from her excruciating circumstances. She wanted to conquer suffering. Instead, she encountered the God who chose it. She wanted to make pain past-tense. Instead, God invited her into a bigger story. *This Too Shall Last* offers an antidote to our cultural idolatry of effort and ease. Through personal story and insights from neuroscience and theology, Ramsey invites us to let our tears become lenses of the wonder that before God ever rescues us, he stands in solidarity with us. We are all mid-story in circumstances we did not choose, wondering when our hard things will end and where

grace will come if they don't. We don't need to make suffering a before-and-after story. Together we can encounter the grace that enters the middle of our stories, where living with suffering that lingers means receiving God's presence that lasts.

Not Yet Married Crossway

"I guess I believe that God loves me. But does he like me?" We all know what it's like to feel overlooked, disconnected, and ashamed. We might believe in God's love in the abstract, but we often live our lives without experiencing it in any deep or lasting way. Pastors Cyd and Geoff Holsclaw understand this—indeed, they've felt it themselves. In this warm, engaging book, they explain from the story of Scripture that God not only likes us and wants to be with us, he also wants to work through us to bless the whole world. Filled with personal stories and simple, clear teaching from the Bible, *Does God Really Like Me?* applies the good news of the gospel to the shame and disconnection that we all experience in our everyday lives. God wants to be with us—we belong in his presence. And from that place of belonging, we can bless the whole world with the message of God's love.

Reading the Bible Supernaturally Baker Academic

This is the story of our Savior, Jesus Christ, the Word of God, who was prophesied to be born of a woman, walk on this earth, suffer the agony of crucifixion on the cross, die, and be raised again—all so that we might be saved, and live eternally with him in Heaven. Jesus is most often thought of as being quiet and peaceful. However, we must remember that he was known to become angry and raise his voice against those who were hypocritical and sinful. He even went to the extreme measure of yelling at, and taking a whip to merchants and businessmen who were desecrating the Temple grounds.

Earthkeeping and Character Cambridge University Press

*We Need To Know God*: Deteriorating conditions in the world and the church plead for God to act. Rampant wickedness and lifeless religion had obliterated an accurate picture of God. God purposed from the foundation of the earth to give Himself to redeem mankind. Creation groaned waiting in pain for the anticipated act. As John might say it, "His hour had come." The hour arrived for God to come and walk among us. God incarnated joining Himself to humanity with ties that will never be broken. He lived among us showing us His heart. We had heard of a God of love, but in Jesus we experience a God of love. A lost world asks, "What is God like?" He answers the question by walking among us. He didn't

just tell us how much He loves us, He demonstrated it as He "became flesh, and dwelt among us, and we saw His glory, glory as of the only begotten from the Father, full of grace and truth" (John 1:14). God incarnates to give us life!

Insufficient Faith Inter-Varsity Press

*Insufficient Faith* introduces James Bakker, a man who makes a profession of faith to be a Christian early in life. For years, he lives by this faith but discovers the distinction between holding to a faith that does not bring true salvation and receiving Jesus Christ in a way that radically changes his life. The author, John Terpstra, weaves into this story the insights he has gained from nearly four decades serving as the pastor of the same church and seeing firsthand how people come to discover the differences between insufficient and sufficient faith. *Insufficient Faith* challenges people who have an insufficient faith to question and examine themselves to see if they be in the faith, as Paul admonishes in 2 Corinthians 13:5. The novel also causes believers to present the gospel the way they must present it to follow the charge given in Colossians 4:34. Jesus did not commit Himself to the multitudes who believed Him to be the Christ because He knew they were unbelieving believers. They remained spiritually dead. *Insufficient Faith* tells the story of a man who had an insufficient faith and who, for years, was an unbelieving believer. Could it not be true that Bible-believing local churches have such people as members? Could it not be true that others who were attached to local churches but have left the church did so because they had an insufficient faith? The answers to these questions will emerge from the pages of *Insufficient Faith*.

Christians trying to model their lives after Jesus may find that He gets buried under lists, rules, and formulas. Now bestselling author Randy Alcorn offers a simple two-point checklist for Christlikeness based on John 1:14. The test consists of balancing grace and truth, equally and unapologetically. Grace without truth deceives people, and ceases to be grace. Truth without grace crushes people, and ceases to be truth. Alcorn shows the reader how to show the world Jesus -- offering grace instead of the world's apathy and tolerance, offering truth instead of the world's relativism and deception. Grace or Truth...or Both? Truth without grace breeds self-righteousness and crushing legalism. Grace without truth breeds deception and moral compromise. Is it possible to embrace both in balance? Jesus did. Randy Alcorn offers a simple yet profound two-point checklist of Christlikeness. "In the end," says Alcorn, "we don't need grace or truth. We need grace and truth. And for people to see Jesus in us, they must see both."

Callahan suggests that scholars have wrongly placed the sequence and therefore the importance of the works collectively known as the Johannine tradition - the Gospel of John and the Johannine Epistles. John Piper has devoted his life to showing us that the glory of God is object of the soul ' s happiness. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

Although the doctrine of eternal generation has been affirmed by theologians of nearly every ecclesiastical tradition since the fourth century, it has fallen on hard times among evangelical theologians since the nineteenth century. The doctrine has been a structural element in two larger doctrinal complexes: Christology and the Trinity. The neglect of the doctrine of eternal generation represents a great loss for constructive evangelical Trinitarian theology. Retrieving the doctrine of eternal generation for contemporary evangelical theology calls for a multifaceted approach. Retrieving Eternal Generation addresses (1) the hermeneutical logic and biblical bases of the doctrine of eternal generation; (2) key historical figures and moments in the development of the doctrine of eternal generation; and (3) the broad dogmatic significance of the doctrine of eternal generation for theology. The book addresses both the common modern objections to the doctrine of eternal generation and presents the productive import of the doctrine for twenty-first century evangelical theology. Contributors include Michael Allen, Lewis Ayres, D. A. Carson, Oliver Crisp, and more.
