Studies in John's Gospel InterVarsity Press

"It is our purpose to give a verse by verse exposition of the fourth Gospel in the course of this series of studies, but before turning to the opening verses of chapter I it will be necessary to consider John's Gospel as a whole, with the endeavor of discovering its scope, its central theme, and its relation to the other three Gospels. We shall not waste the reader's time

by entering into a discussion as to who wrote this fourth Gospel, as to where John was when he wrote it, nor as to the probable date when it was written. These may be points of academic interest, but they provide no food for the soul, nor do they afford any help to an understanding of this section of the Bible, and these are the two chief things we desire to accomplish. Our aim is to open up the Scriptures in such a way that the reader will be able to enter into the meaning of what God has recorded for our learning in this part of His Holy Word, and to edify those who are members of the

Household of Faith." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death, ' which

particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

You might be surprised to find that God is not a trinity. The Trinity is one of mainstream Christianity's most widely accepted and revered doctrines held by millions of Catholics, Protestants and Orthodox believers. The belief that God is three persons—the Father, Son and Holy Spirit—coexisting in one being is how the trinity doctrine is often defined. But the word trinity appears nowhere within the pages of the Bible. You can not cling to long-held religious traditions if they contradict the Scriptures. Your beliefs must rest solidly on the teachings of the Holy Bible. This Bible Study aid, "Is God a Trinity?", goes into great detail explaining the non-biblical origins of the trinity and how this false gospel replaced the true teachings of Jesus Christ. Discover how the Bible communicates a true picture of God and learn about the awesome plan He has promised for you and all

mankind. Chapters in this ebook: -- Is the Trinity Biblical? -- The Surprising Origins of the Trinity Doctrine -- Greek Philosophy's Influence on the Trinity Doctrine -- How Ancient Trinitarian Gods Influenced Adoption of the Trinity -- A Spurious Reference to the Trinity Added in 1 John 5:7-8 -- How Is God Revealed in the Bible? -- Jesus Was Sent by the Father -- Jesus Christ: "The Rock" of the Old Testament -- The Apostles Understood Jesus to Be the Creator -- Did Jesus Christ Claim to Be God? -- "In the Beginning Was the Word" -- The Claim of Jesus' Disciples -- "There Is One God, the Father...and One Lord, Jesus Christ" -- God's Plan to "Bring Many Sons to Glory" -- Jesus Christ's Submission to the Father -- How Is God One? -- "The Lord Our God, the Lord Is One" -- Seven Scriptures That Debunk the Trinity as a Single Being -- Elohim: The Plurality of God -- Is the Holy Spirit a Person? -- Does Matthew 28:19 Prove the Trinity? -- Why the Holy Spirit Is Sometimes Incorrectly Referred to as "He" and "Him" -- What About Passages That "Prove" the Trinity? -- The Holy Spirit: God's Transforming

Power -- How to Stir Up God's Spirit -- God's Nature and Character -- God's Purpose for You -- The Likeness of God -- Do Some Verses Deny a Divine Family? -- The God Family Inside this Bible Study Aid ebook: "Most people assume that everything that bears the label "Christian" must have originated with Jesus Christ and His early followers. But this is definitely not the case." "Many historians and religious scholars, some quoted in this publication, attest to the influence of Greek or Platonic philosophy in the development and acceptance of the Trinity doctrine in the fourth century." God the Father is the One who calls us to baptism and a new way of life (John 6:44, 65), and it is His goodness that leads us to repentance and baptism (Romans 2:4). "As even the New Catholic Encyclopedia, quoted from earlier, acknowledges: "The majority of New Testament texts reveal God's spirit as something, not someone; this is especially seen in the parallelism between the spirit and the power of God..." Many modern Christians are familiar with the name, and

perhaps even some of the writings of, A. W. Tozer, but few living today were blessed to sit under his weekly teaching from the pulpit. In this never-before published collection of teachings on 1 Peter, adapted from sermons given to his parishioners, Tozer examines what it means to call oneself a "Christian." In his view, to be a recipient of God's salvation is to become "the pride of all heaven," indestructible and able to withstand anything and everything that seeks to undermine one's faith. The epistle of 1 Peter was written to a group of just such Christians, to encourage them to live in the center of God's redeeming love. Through Tozer's incomparable teaching and commentary, this ancient letter becomes a fresh and life-infusing admonition for today's Christian!

Teachings from the Gospel of John Many Christians are familiar with the prophetic voice of Tozer, but few living today were blessed to sit

under his weekly teaching from the pulpit. The Gospel of John was Tozer's favorite book of the Bible, and the focus of these writings (adapted from sermons given to his parishioners) is the Incarnation and what it means for believers' lives. Christ came down to earth in order to lift men and women up into the heavenlies. No other New Testament writer, not even the amazing apostle Paul, presents Christ with a passion equal to John's, the Beloved. Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ, challenging readers to discover a fresh and overwhelming desire for Him. Readers will be captivated anew by the One we call Lord. Available Fall 2009!.

Just like natural laws, there are spiritual laws with cause and effect. God set the universe in motion with the power of His words and established the law of confession, but many believers have suffered needlessly by misunderstanding the power of their words. Dr. Bill Winston, pastor, Bible teacher, and host of the national television program Believer's Walk of Faith broadcast to over 100 million homes, reveals scriptural examples and vital teaching on the importance of the spoken word. Believers will uncover the enemy's deceptive plan to use their own words against them and what they can do to turn their situation around. 'One of the best things that ever happened to me, my family, and my church, was the revelation of the law of confession - we learned that the moment we win the battle over our words, we win the battle!' Dr. Bill Winston Controlling your words is one of the biggest challenges anyone will face in this life; the Bible reveals that the

power of life and death are in the words you say. As you begin to change the words you speak, you will rewrite their future and revolutionize your life.

The writers and chief actors of the Old Testament expressed a deep longing for the presence of God. This longing is symbolized through history in the Garden of Eden, the ark of the covenant and the tabernacle that housed it, the temple, and the ruins of the temple. In response to this longing, God shares his ultimate mission, in which his people play a part: the expansion of Eden - the temple of God's presence - to all peoples throughout the earth. The temple has always been a source

of rich scholarship and theological reflection - but what does it mean for the church's ongoing mission in the world? Beale and Kim build a bridge from the world of biblical theology to our modern-day life. They help us to see clearly that the themes of Eden, the temple, God's glorious presence, new creation, and the mission of the church are ultimately facets of the same reality. Hence, from Eden to the New Jerusalem, God's people are his temple on the earth, the first-fruits of the new creation. God has always desired to dwell among us; now the church needs to follow its calling to extend the borders of God's kingdom and take his presence to the ends of the earth. Moody Publishers  
The experience of loneliness is as universal as hunger or thirst. Because it affects us more intimately, we are less inclined to speak of it. But who has not known its gnawing ache? The fear of loneliness causes anguish. It prompts reckless deeds. To this, every age has borne witness. No voice is more insidious than the one

that whispers in our ear: 'You are irredeemably alone, no light will pierce your darkness.' The fundamental statement of Christianity is to convict that voice of lying. The Christian condition unfolds within the certainty that ultimate reality, the source of all that is, is a personal reality of communion, no metaphysical abstraction. Men and women, made 'in the image and likeness' of God, bear the mark of that original communion stamped on their being. When our souls and bodies cry out for Another, it is not a sign of sickness, but of health. A labour of potential joy is announced. We are reminded of what we have it in us to become. That our labour may be fruitful, Scripture repeatedly exhorts us to 'remember'. The remembrance enjoined is partly introspective and existential, partly historical, for the God who took flesh to redeem our loneliness leaves traces in history. This book examines six facets of Christian remembrance, complementing biblical exegesis with readings from literature,

---

ancient and modern. It aims to be an essay in theology. At the same time, it proposes a grounded reflection on what it means to be a human being.

You know people around the world are struggling. A homeless man holds a sign that reads, "Anything helps." A poor child lives in a slum swarming with flies. A refugee mother is on the brink of starvation. You ask yourself, "But what can I do about such big problems?" You're looking for long-term solutions. John D. Barry shares incredible, and often shocking, stories about working among the impoverished and unchurched in the U.S. and abroad. And since Barry is a Bible scholar, Jesus'

Economy is also deeply rooted in the Scriptures. It is a personal, sometimes funny, often heartbreaking account that presents a revolutionary pattern for lasting change.

Jesus' Economy is based on self-sacrifice. His currency is love. It's called Jesus' Economy because it's about creating a spiritual and physical economy for those who need it most. Here is a thoroughly biblical and compassionate pattern for addressing issues of poverty and offering the hope of the gospel. Jesus' Economy: • Shows how you as an individual can best encourage renewal in your community. • Demonstrates how your church community or any group can alleviate poverty. • Presents a unified plan for creating jobs, spreading the gospel, and meeting basic needs. • Focuses on community development and sustainability—lasting change, globally and locally. Jesus' Economy is a call to address our own spiritual poverty—as people who can too easily become distant from Christ—and it is a call to address the physical poverty

all around us in a smart and sustainable way. Jesus' teachings show that with simple, everyday choices, you can make the world a better place and create enduring change. Here's how to live Jesus' economy—a currency of love. 100% of author's proceeds go to the nonprofit Jesus' Economy, to fuel the movement of creating jobs and churches in the developing world. Holy Bible Inter-Varsity Press Believers need wise biblical counsel to navigate today's perplexing society. Demonstrating the sufficiency of Scripture to aid in decision-making and answer the deepest cry of the heart, forty fresh pastoral "letters" offer contemporary perspectives and promote spiritual growth.

The one great obsession of A.W. Tozer's life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before

published, this book presents A.W. Tozer's systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever. *Out of the House of Bread* Destiny Image Publishers

These studies are included in the correspondence courses of the Bible Baptist Seminary of Fort Worth, Texas. Other Seminary and Bible Institutes are investigating and in several instances have

accepted Dr. Entzminger's Studies as text books in their regular courses. Dr. Entzminger's books are just what the title implies - "Bible Studies," and not just for reading. The Bible should be opened in the hands of the student and all references carefully studied. Invaluable to preachers, Bible teachers and to all Christian workers. Volumes of letters of highest commendation could be published concerning Dr. Entzminger's work. We give three or four: Luther C. Peak, B.D., Th.M.' L.L.D., says: "... more original truths brought to light in Dr. Entzminger's Studies than anything I have read, than any Commentary or Exposition on the Bible I have ever studied." The late Dr. Fred W. Dyson, Dean of Bible Baptist Seminary, and Director of Personnel, said: "It has been my privilege to read and teach some of the books Dr. Entzminger has written, and I say unreservedly, that I can recommend them wholeheartedly to anybody that loves Bible study. They are sound, scriptural, sane and very suggestive. No

preacher or Sunday School teacher or Christian worker can afford to be without them." Dr. Oscar Wells, Professor of Theology in Bible Baptist Seminary, says: "I have found his expositions of God's Word - truly nuggets brought forth from the refiner's pen."

Christians trying to model their lives after Jesus may find that He gets buried under lists, rules, and formulas. Now bestselling author Randy Alcorn offers a simple two-point checklist for Christlikeness based on John 1:14. The test consists of balancing grace and truth, equally and unapologetically. Grace without truth deceives people, and ceases to be grace. Truth without grace crushes people, and ceases to be truth. Alcorn shows the reader how to show the world Jesus -- offering grace instead of the world's apathy and tolerance, offering truth instead of the

world's relativism and deception. Grace or Truth...or Both? Truth without grace breeds self-righteousness and crushing legalism. Grace without truth breeds deception and moral compromise. Is it possible to embrace both in balance? Jesus did. Randy Alcorn offers a simple yet profound two-point checklist of Christlikeness. "In the end," says Alcorn, "we don't need grace or truth. We need grace and truth. And for people to see Jesus in us, they must see both." *Exposition of the Gospel of John* Tate Publishing & Enterprises
