TIMES BESTSELLER * One

of NPR's Best Books of 2020

"A provocative, absorbing
read." — People "A feast of a
read... I finished A Good
Neighborhood in a single
sitting. Yes, it 's that good. "

—Jodi Picoult, #1 New York

Times bestselling author of

Small Great Things and A

Spark of Light In Oak Knoll, a

verdant, tight-knit North
Carolina neighborhood,
professor of forestry and
ecology Valerie Alston-Holt is
raising her bright and talented
biracial son, Xavier, who 's
headed to college in the fall. All
is well until the Whitmans—a
family with new money and a
secretly troubled teenage
daughter—raze the house and
trees next door to build
themselves a showplace. With
little in common except a
property line, these two
families quickly find themselves
at odds: first, over an historic
oak tree in Valerie's yard, and
soon after, the blossoming
romance between their two
teenagers. A Good
Neighborhood asks big
questions about life in America
today—what does it mean to
be a good neighbor? How do
we live alongside each other
when we don't see eye to
eye?—as it explores the effects
of class, race, and heartrending
love in a story that 's as

provocative as it is powerful.

"Destined to become an
adventure classic." —Anchorage

Daily News In the tradition of

Into the Wild comes an instant

classic of outdoor literature, a

riveting work of uncommon

depth: The Adventurer's Son is

Roman Dial's extraordinary

account of his two-year quest to

unravel the mystery of his son's

disappearance in the jungles of

Costa Rica. In the predawn hours

of July 10, 2014, the twenty-

seven-year-old son of preeminent

Alaskan scientist and National

Geographic Explorer Roman

Dial, walked alone into

Corcovado National Park, an

untracked rainforest along Costa

Rica's remote Pacific Coast that

shelters miners, poachers, and

drug smugglers. He carried a

light backpack and machete.

Before he left, Cody Roman Dial

emailed his father: "I am not sure

how long it will take me, but I'm

planning on doing 4 days in the

jungle and a day to walk out. I'll

be bounded by a trail to the west

and the coast everywhere else, so

it should be difficult to get lost

forever." They were the last

words Dial received from his son.

As soon as he realized Cody

Roman's return date had passed,

Dial set off for Costa Rica. As he

trekked through the dense jungle,

interviewing locals and searching

for clues—the authorities

suspected murder—the desperate

father was forced to confront the

deepest questions about himself

and his own role in the events.

Roman had raised his son to be

fearless, to be at home in earth's

wildest places, travelling together

through rugged Alaska to remote

Borneo and Bhutan. Was he

responsible for his son's fate? Or,

as he hoped, was Cody Roman

safe and using his wilderness

skills on a solo adventure from

which he would emerge at any

moment? Part detective story set

in the most beautiful yet

dangerous reaches of the planet, The Adventurer's Son emerges as a far deeper tale of discovery—a journey to understand the truth about those we love the most. The Adventurer's Son includes fifty black-and-white photographs.

This Is How It Happened

Running Press Kids

"The road novel—or the road half-novel—has rarely been funnier or more appealing."—Benjamin Moser, Harper's In the great American tradition of funny road narratives— from Mark Twain to Hunter S.

Thompson—a young journalist searches for his first big break down the lonesome highways of the Southwest and northern Mexico. Alternating chapters of fiction and nonfiction provide a hilarious account of Jake Silverstein's misadventures on the hunt for an elusive magazine article—a journey that becomes a quest to understand the purpose of journalism and the nature of storytelling.

A Novel Penguin

As Rosalind continues

to straddle the proper English world of her family and the cultural milieu of 1920s India where they live, her support of Gandhi and his followers in opposing British rule grows and she considers trying to carry the rebels' message to Edward, Prince of Wales, during his visit. Simultaneous.

And Then What Happened, Paul

Revere? Macmillan

The book behind the viral internet sensation of "The Scottish Granny" reading this story to her grandchild. A young boy suddenly notices a big problem - his bum has a huge crack! So he sets off to find a new one. Will he choose an armor-

plated bum? A rocket
bum? A robot bum?
Find out in this

Felix and Zelda
have escaped the
train to the death
camp, but where do
they go now?
They're two runaway
kids in Nazi-
occupied Poland.
Danger lies at

every turn of the road. With the help of a woman named Genia and their active imaginations, Felix and Zelda find a new home and begin to heal, forming a new family together. But can it last? Morris Gleitzman's winning characters will tug at readers' hearts as they struggle to survive in the harsh political climate of Poland in 1942. Their lives are difficult, but they always remember what matters: family, love, and hope.

Iqbal Grand Central Publishing

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to

escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

More than 100 Stories of Fearless

Trailblazers Houghton Mifflin Harcourt David Baldacci delivers a moving, family drama about learning to love again after terrible heartbreak and loss in this classic New York Times bestseller--soon to be a Hallmark original movie. It's almost Christmas, but there is no joy in the house of terminally ill Jack and his family. With only a short time left to live, he spends his last days preparing to say goodbye to his devoted wife, Lizzie, and their three children. Then,

unthinkably, tragedy strikes again: Lizzie is killed in a car accident. With no one able to care for them, the children are separated from each other and sent to live with family members around the country. Just when all seems lost, Jack begins to recover in a miraculous turn of events. He rises from what should have been his deathbed, determined to bring his fractured family back together. Struggling to rebuild their lives after Lizzie's death, he reunites everyone at Lizzie's childhood home on the oceanfront in South Carolina. And there, over one unforgettable summer, Jack will begin to learn to love again, and he and his children will learn

how to become a family once more.

And Then it

Happened Scholastic One by one, the guests arrived at the mansion on Indian Island, summoned by a mysterious host. And one by one, with terrifying meticulousness, they were stalked by a cunning murderer. Utterly baffling...and yet there was a pattern, concealed in a nursery rhyme hanging over the fireplace.

A Memoir Simon and Schuster

Double Blind follows

three close friends and joy, Olivia introduces their circle through a the two—but Lucy has year of extraordinary received shocking news transformation. Set of her own that binds in London, Cap the trio unusually d'Antibes, Big Sur, close. Over the months and a rewilded corner that follow, Lucy's of Sussex, this boss, Hunter, Olivia's thrilling, ambitious psychoanalyst parents, novel is about the and a young man named headlong pursuit of Sebastian are pulled knowledge—for the into the friends' purposes of pleasure, orbit, and not one of revelation, money, them will emerge sanity, or unchanged. Expansive, survival—and the playful, and consequences of compassionate, Edward fleeing from what we St. Aubyn's Double know about others and Blind investigates ourselves. When Olivia themes of inheritance, meets a new lover just determinism, freedom, as she is welcoming consciousness, and the her best friend, Lucy, stories we tell about back from New York, ourselves. It is as her dedicated academic compelling about life expands ecology, precipitously. Her psychoanalysis, connection to Francis, genetics, and a committed naturalist neuroscience as it is living off the grid, about love, fear, and is immediate and courage. Most of all, startling. Eager to it is a perfect involve Lucy in her expression of the

interconnections it sets out to examine, and a moving evocation of an imagined world that is deeply intelligent, often tender, curious, and very much alive.

I Need a New Bum!

Crooked Lane Books

"When this book was first published it received some attention from the critics but none at all from the public. Nazism was finished in the bunker in Berlin and its death warrant signed on the bench at Nuremberg." That's Milton Mayer, writing in a foreword to the 1966 edition of *They Thought They Were Free*. He's right about the critics: the book was a finalist for the National Book Award in 1956. General readers may have been slower to take notice, but over time they

did—what we've seen over decades is that any time people, across the political spectrum, start to feel that freedom is threatened, the book experiences a ripple of word-of-mouth interest. And that interest has never been more prominent or potent than what we've seen in the past year. *They Thought They Were Free* is an eloquent and provocative examination of the development of fascism in Germany. Mayer's book is a study of ten Germans and their lives from 1933-45, based on interviews he conducted after the war when he lived in Germany. Mayer had a position as a research professor at the University of Frankfurt and lived in a nearby small Hessian town which he

disguised with the namehyperbolic rhetoric.

"Kronenberg." "These ten men were not men of distinction," Mayer noted, but they had been members of the Nazi Party; Mayer wanted to discover what had made them Nazis. His discussions with them of Nazism, the rise of the Reich, and mass complicity with evil became the backbone of this book, an indictment of the ordinary German that is all the more powerful for its refusal to let the rest of us pretend that our moment, our society, our country are fundamentally immune. A new foreword to this edition by eminent historian of the Reich Richard J. Evans puts the book in historical and contemporary context. We live in an age of fervid politics and

They Thought They Were Free cuts through that, revealing instead the slow, quiet accretions of change, complicity, and abdication of moral authority that quietly mark the rise of evil.

Here and Now and Then Simon and Schuster
Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Making Sense of Middle School
HarperCollins
A story that

celebrates the signs of the approaching season--from icicles clinging to roofs and houses strung with colorful lights to visiting Santa and hunting for the perfect tree.

Lord of the Flies

Candlewick Press
(MA)

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next

world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.
