B. M. F. Who patiently and often has listened to many of these tales, this book is lovingly dedicated.  
PREFACE THIS book is the outcome of a collection of material that has been slowly accumulating over the past thirty years or so, since the time when, under the guidance of the late Dr. Frank H. Vizetelly, I began to work as his associate in the editorial department of the Funk Wagnalls New Standard Dictionary. The ancestry of most of the words that we now use glibly or find in books or other current literature, is prosaic. We can trace their lines of descent back to Old English, or Old French, or Latin, or Greek, or other ancient source, but beyond the bare bones supplied by etymologists, which indicate those sources, and

the steps by which they became English words, the dictionaries tell us little or there is little more that can be told. The ancient Roman or Greek, say, who may have been the first to use a word that has strayed on to us, perhaps could have told the story of its origin. It may have been picturesque, based upon some historic episode, like the word anecdote, it may have come from a tale in some older language, for the languages that we consider ancient were themselves based upon still more ancient sources, but that story, if any, cannot now be determined. Thus what we know about the origins of the great majority of the words in our present language can be found in an unabridged dictionary or in a work

---

dealing with etymologies, such as that compiled by W. W. Skeat about seventy years ago, or the one more recently prepared by Ernest Weekley. But there are in our current language a number of fairly common words some old, some new which were born, or grew, or acquired their meanings in an unusual manner. They came, as our language has, from all sources sources of which the dictionaries, for lack of space, can rarely supply more than a clue. These are the tales that I have been collecting and which are offered here. A number of them may be already familiar to some readers, such as the origin of tantalize, from the Greek legend of the punishment meted out to Tantalus by the wrathful Zeus, or

echo, from the fate of the perfidious nymph of that name. Such tales, though familiar to some, are included here for the benefit of those to whom they may be new. But I have found that few but scholars in the language know how the word clue, which was just used, acquired its present meaning that the Portuguese gave us coconut because, to their sailors in the sixteenth century, the nut resembled a coco, a grinning face that sylph was a coinage of that master charlatan or genius, depending upon the point of view, the sixteenth-century alchemist, Paracelsus that we owe our terms chapel and chaplain to the cloak or cape worn by the fourth-century monk, St. Martin that the name

Easter was taken from a pagan goddess, and that the names of the days of the week denote dedication to ancient pagan gods. Whenever it has been possible, the stories are historical that is, for example, facts in the life of St. Martin are briefly stated to explain why his cloak was venerated the occasion for the coinage of sylph by Paracelsus is summarized a brief account tells why magenta commemorated a battle short sketches of the invasions of the Vandals and Tatars account for such words as vandal, tartar, and horde-, highly abridged biographies of such persons as the Scottish engineer, John L. McAdam, the Scottish chemist, Charles Macintosh, and others, tell why their names were adopted into

the language an explanation is deduced why the French general, Martinet, became a byword in English, but not in French the historical circumstances that introduced the word nepotism are related, and so on, and so on...

"This is a moving story, well told and beautifully written." --Jeffrey Archer In celebration of Jeffrey Archer's latest short story collection, *And Thereby Hangs a Tale*, St. Martin's Press sponsored the "Jeffrey Archer Presents" Short Story Competition. #1 New York Times bestselling author and master of the short story Jeffrey Archer is known for the precise wit and timely revelations in his tales, and now with this short story competition he has had the opportunity to recognize those same outstanding gifts in winner Mark Trainer's *New Wife*. What if you woke up with a lifetime of

memories but were unable to recognize the wife you shared so many of them with? That's exactly what happens to Danny when his wife Eve comes down the steps one morning. Her hair, her mouth, her hands—everything—it's all wrong. He's certain it's just not her. But then why is Danny the only one who doesn't recognize this "new wife?" Confused and more afraid than he's willing to admit even to himself, Danny's responsibilities as a husband to a woman he doesn't know and father to a son with hidden problems force Danny to face a future that is only slightly less

---

knowable than his past. An intimate look at a man trying to hold his family together while he seems to be coming apart, Mark Trainer's *New Wife* is a remarkable story brimming with insight and affection.

Nearly a decade after his last volume of short stories was published, Jeffrey Archer returns with his eagerly-awaited, brand-new collection *TELL TALE*, giving us a fascinating, exciting and sometimes poignant insight into the people he has met,

the stories he has come across and the countries he has visited during the past ten years. Find out what happens to the hapless young detective from Naples who travels to an Italian hillside town to find out *Who Killed the Mayor?* and the pretentious schoolboy in *A Road to Damascus*, whose discovery of the origins of his father's wealth changes his life in the most profound way. Revel in the stories of the 1930's woman who dares to challenge the men at her Ivy League University in *A Gentleman and A Scholar*

while another young woman who thumbs a lift gets more than she bargained for in *A Wasted Hour*. These wonderfully engaging and always refreshingly original tales prove not only why Archer has been compared by the critics to Dahl and Maugham, but why he was described by *The Times* as probably the greatest storyteller of our age. fifteen brand-new tales showcase Archer's talent for capturing an unforgettable moment in time, whether tragic, comic, or outrageous. In India, Jamwal and Nisha fall in love while waiting for a traffic light to turn green on the streets of Delhi. From Germany comes "A Good Eye," the tale of a priceless oil painting that has remained in the same family for over two hundred years, until... To the Channel Islands and "Members Only," where a golf ball falls out of a Christmas cracker, and a young man's life will never be the same... To Italy and "No Room at the Inn," where a young man who is trying to book a room at a hotel ends up in bed with the receptionist, unaware that she... To England, where, in

"High Heels," a woman has to explain to her husband why a pair of designer shoes couldn't have gone up in flames... Some of these stories will make you laugh while others will bring you to tears but, once again, every one of them will demand that you keep turning the page until you finally discover what happens to this remarkable cast of characters.
