Few romance novels have touched readers as deeply or as lastingly as this classic by New York Times bestselling author Mary Jo Putney. Poignant, passionate, and tender, *One Perfect Rose* is the story of two mismatched lovers drawn into a fragile, unforgettable union... *One Perfect Rose* Stephen Kenyon, the new Duke of Ashburton, has always known exactly what society expected of him. But a doctor's grim diagnosis leaves him longing to experience life as never before. Traveling incognito, he becomes entangled with a wandering theater family and their spirited adopted daughter, Rosalind

Jordan. With no time to waste in courtship, Stephen convinces Rosalind to marry him--an arrangement that has advantages for both. The warm companionship and profound passion they share is more than Stephen expected, and far more than his family and his own guarded nature ever allowed. But each passing, perfect day together is a bittersweet reminder that love is the one thing he is not at liberty to offer, and the one thing she can never admit... "In her superb, inimitable style, Putney takes a pair of magnetic, beautifully matched protagonists, places them in a dark, impossible situation, and

makes it work." --Library Journal "One Perfect Rose is Mary Jo Putney in top form." --Romantic Times *Angelfire* Createspace Independent Pub "Jerel Law transports readers to a place where supernatural forces of good and evil collide. Young readers will be entertained and inspired . . . I heartily recommend it." —Robert Whitlow, bestselling author of the Tides of Truth series What if you could actually see angels and fallen angels engaging in battle—and you were expected to join the fight? It's been one year since Jonah Stone and his sister, Eliza, discovered that their

mother is a nephilim, the product of a union between a human and a fallen angel, which makes them and their little brother, Jeremiah, quarterlings, or one-quarter angel. After embarking on an epic journey to rescue their mother and the other nephilim, who were kidnapped by fallen angels, the Stone kids have enjoyed a little peace and quiet. But when Jonah and Eliza are attacked by fallen angels at school, they learn that quarterlings all over the world are being targeted, and separating them from their parents is the only way to keep them safe. The kids undergo special training to help them

discover their own unique angelic gifts, which come in handy when they embark on a mission to find a mysterious prophet who they believe holds the key to Abaddon's defeat in a massive battle between good and evil. Parents today are looking for fiction that makes Christianity and the Bible exciting for their kids. This series is the first Christian answer to Percy Jackson and the Olympians, the Kane Chronicles, the Secret Series, and other middle grade series packed with adventure, action, and supernatural fights. But the message is solidly scriptural in that God alone is always in control. "Jerel Law has crafted

a fantastic story that will leave every reader wanting more. Stop looking for the next great read in fantasy fiction for young readers—you've found it!"
