Accounts of rape, murder, mutilation, and torture run like a bloodred thread through modernist literature in the German language. Previous accounts of German literary modernism have linked its fascination with violent destruction either to the militant avant-garde on the left or to fascist modernism on the right. Critics have noted that high modernists depicted violence through its impact on their own victimized protagonists. But by minimizing and ignoring the often disturbing attraction to aggression in the works of Franz Kafka and others, these prevalent readings have filtered out much of the provocative and productive potential of German modernism. Kai Evers's *Violent Modernists: The Aesthetics of Destruction in Twentieth-Century German Literature* develops a new understanding of German modernism that moves beyond the oversimplified dichotomy of an avant-garde prone to aggression on the one hand and a modernism opposed to violence on the other. Analyzing works by Robert Musil, Franz Kafka, Karl Kraus, Walter Benjamin, Elias Canetti, and others, Evers argues that these authors are among the most innovative thinkers on violence and its impact on contemporary concepts of the self, history, and society.

Soldier Extraordinaire Echo

This ISBN refers to the ebook edition of this text, available directly from the publisher. It has erroneously been listed as paperback by some online vendors. The true paperback edition is indeed available at online vendors. Paste this ISBN into the search box: 9780874217810. In this, the first collection of essays to address the development of fairy tale film as a genre, Pauline Greenhill and Sidney Eve Matrix stress, "the mirror of fairy-tale film reflects not so much what its audience members actually are but how they see themselves and their potential to develop (or, likewise, to regress)." As Jack Zipes says further in the foreword, "Folk and fairy tales pervade our lives constantly through television soap operas and commercials, in comic books and cartoons, in school plays and storytelling performances, in our superstitions and prayers for miracles, and in our dreams and daydreams. The artistic re-creations of fairy-tale plots and characters in film—the parodies, the aesthetic experimentation, and the mixing of genres to engender new insights into art and life—mirror possibilities of estranging ourselves from designated roles, along with the conventional patterns of the classical tales." Here, scholars from film, folklore, and cultural studies move discussion beyond the well-known Disney movies to the many other filmic adaptations of fairy tales and to the widespread use of fairy tale tropes, themes, and motifs in cinema.

The Celts Bantam

This succinct, accessible two-volume set covers all aspects of Celtic historical life, from prehistory to the present day. The study of Celtic history has a wide international appeal, but unfortunately many of the available books on the subject are out-of-date, narrowly specialized, or contain incorrect information. Online information on the Celts is similarly unreliable. This two-volume set provides a well-written, up-to-date, and densely informative reference on Celtic history that is ideal for high school or college-aged students as well as general readers. *The Celts: History, Life, and Culture* uses a cross-disciplinary approach to explore all facets of this ancient society. The book introduces the archaeology, art history, folklore, history, linguistics, literature, music, and mythology of the Celts and examines the global influence of their legacy. Written entirely by acknowledged experts, the content is accessible without being simplistic. Unlike other texts in the field, *The Celts: History, Life, and Culture* celebrates all of the cultures associated with Celtic languages at all periods, providing for a richer and more comprehensive examination of the topic.

The Turn of the Screw Springer

First published in 1997. What's new in the Second Edition: Some 250 new entries, twenty-five percent more than in the first edition, plus twenty-five new expert contributors. Bibliographies are greatly expanded and updated throughout; More focus on biblical books and philosophical schools, their influence on early Christianity and their use by patristic writers; More information about the Jewish and pagan environment of early Christianity; Greatly enlarged coverage of the eastern expansion of the faith throughout Asia, including persons and literature; More extensive treatment of saints, monasticism, worship practices, and modern scholars; Greater emphasis on social history and more theme articles; More illustrations, maps, and plans; Additional articles on geographical regions; Expanded chronological table; Also includes maps.

The Blood Countess Peter Lang

The ultimate source text of Enochian Magic never before available in book form • Contains the actual and complete Tables of Enoch given to Dr. John Dee by the Angels • Explains the difference between Dee's Tables of Enoch and the apocryphal Book of Enoch • Includes directions for powerful magic rituals and meditations using these tables • Presents a reconstruction of the possible 49th missing Table of Enoch Originally considered a vital part of inspirational literature used by the early church, the Book of Enoch never made it into the canon or accepted books of the Old Testament because of its strange and mysterious content about Enoch's experiences in the higher realms, or heavens. The real Book of Enoch, which is a set of almost 100 mystical tables, was given again to humankind in the 1580s, when it was conveyed directly by angels to Dr. John Dee, a 16th-century mathematician, scientist, occultist, and the astrologer of Queen Elizabeth I. Called "the most important book ever given to man by God" by Dee's angelic messengers, the Book (or Tables) of Enoch is said to hold all the secrets of heaven and earth and the physical and spiritual realms. *Decoding the Enochian Secrets* reproduces for the first time ever the exact and complete copy of these tables, which are housed in the British Library. The tables are written in the handwriting of Dr. Dee and Edward Kelly, Dee's assistant and scribe. The tables also include the phonetic pronunciations, written by Dee in the margins, of all the magical Enochian Calls. Covering the history of this Book or Tables of Enoch, John DeSalvo explains the difference between these tables and the apocryphal Book of Enoch and examines how later magicians such as Aleister

Crowley used them. Including Enochian Magic Meditations and rituals, *Decoding the Enochian Secrets* presents the source text to the most powerful form of magic known to mankind.

The Fairy-faith in Celtic Countries Createspace Independent Publishing Platform

For Elena Michaels, being the world's only female werewolf has its advantages, such as having her pick of the Otherworld's most desirable males. And she couldn't have picked a more dangerously sexy and undyingly loyal mate than Clayton Danvers. But now their bond will be put to the ultimate test. A werewolf more wolf than human and more unnatural than supernatural—a creature whose origins spring from ancient legend—is hunting human prey, and Elena and Clayton must track the predator deep into Alaska's frozen wilderness. But the personal stakes are even higher. Either Clayton or Elena has been chosen to become the new Pack leader, and every wolf knows that there can be only one Alpha. The couple have always been equals in everything. Now, when their survival depends more than ever on perfect teamwork, will instinct allow one of them to lead and the other to follow?

Why Catholic Bibles Are Bigger University Press of Colorado

Some differences between Catholicism and Protestantism can be tricky to grasp, but one of them just requires the ability to count: Catholic bibles have seventy-three books, whereas Protestant bibles have sixty-six—plus an appendix with the strange title Apocrypha. What's the story here? Protestants claim that the medieval Catholic Church added six extra books that had never been considered part of the Old Testament, either by Jews or early Christians. Catholics say that the Protestant Reformers removed those books, long considered part of Sacred Scripture, because they didn't like what they contained. In *Why Catholic Bibles Are Bigger*, Gary Michuta presents a revised and expanded version of his authoritative work on this key issue. Combing the historical record from pre-Christian times to the Patristic era to the Reformation and its aftermath, he traces the canon controversy through the writings and actions of its major players. Silent Hill University of North Georgia Press

As the popularity of Elizabeth Kostova's bestselling *The Historian* proves, there's always an audience bloodthirsty for quality, page-turning horror. Now, in a marvelously horrifying turn, John Marks—a former 60 Minutes producer—sinks his satirical teeth into twenty-first-century media. In *Fangland*, Evangeline Harker is an employee of the legendary TV news magazine *The Hour*. Sent on assignment to Transylvania, she delivers more than a story when mysterious e-mails, coffins, and a creepy guy named Torgu descend on the New York office. This darkly funny tale will appeal to vampire and horror aficionados as well as anyone who's fed up with what passes for "news" today.

Violent Modernists Seal Books

A step-by-step guide to the rituals of Enochian magic for reaching the higher spiritual realms • Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley • Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God • Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination—the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step-by-step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.

They Aren't, Until I Call Them Bantam

A Diary from Dixie is a book by an American writer, who was born in a famous slave-owning state, South Carolina, Mary Boykin Chesnut. Basically, this book is a specific chronicle of the Civil War that was described from within her circle of society. Secretly from her husband, Mary Chestnut was against slavery and sympathized the North American abolitionists. In 1982 the annotated edition of the *Diary* won the Pulitzer Prize for History.

Letters on demonology and witchcraft Metropolitan Museum of Art

This peer-reviewed *World Literature I* anthology includes introductory text and images before each series of readings. Sections of the text are divided by time period in three parts: the Ancient World, Middle Ages and Renaissance, and then divided into chapters by location. *World Literature I* and the *Compact Anthology of World Literature* are similar in format and both intended for *World Literature I* courses, but these two texts are developed around different curricula.

World Literature I Modernista

Taking a new and innovative angle on social work, this book seeks to remedy the exclusion of holistic perspectives and rejection of the diversity of human socio-cultural understandings and experiences of healing currently seen in western social work practice.

Fairy Tale Films Simon and Schuster

Translation and Globalization is essential reading for anyone with an interest in translation, or a concern for the future of our world's languages and cultures. This is a critical exploration of the ways in which radical changes to the world economy have affected contemporary translation. The Internet, new technology, machine translation and the emergence of a worldwide, multi-million dollar translation industry have dramatically altered the complex relationship between translators, language and power. In this book, Michael Cronin looks at the changing geography of translation practice and offers new ways of understanding the role of the translator in globalized societies and economies.

Drawing on examples and case-studies from Europe, Africa, Asia, and the Americas, the author argues that translation is central to debates about language and cultural identity, and shows why consideration of the role of translation and translators is a necessary part of safeguarding and promoting linguistic and cultural diversity.

Angels of the Battlefield Walter de Gruyter GmbH & Co KG

In the dominant world-view of the Western Middle Ages, natura evoked divine power as manifested in creation. Nature was an all-pervasive force, synonymous with God and his visible handiwork, but also a cosmic principle associated with fate and predestination in the Neoplatonic tradition. This volume of student essays tackles nature in a range of physical and metaphysical guises, always centred on its representation in medieval English literature. It contains studies of the visible natural world in elegiac, homiletic, and apocalyptic literature, but it also addresses other faces of nature, from the naked human form to the medieval reception of ancient ideas about free will, and closes with a comparative analysis of the nature of wisdom in Old English and *The Lord of the Rings*.

Writing Beyond Pen and Parchment State University of New York Press

The idea of a heavenly double—an angelic twin of an earthbound human—can be found in Christian, Manichaean, Islamic, and Kabbalistic traditions. Scholars have long traced the lineage of these ideas to Greco-Roman and Iranian sources. In *The Greatest Mirror*, Andrei A. Orlov shows that heavenly twin imagery drew in large part from early Jewish writings. The Jewish pseudepigrapha—books from the Second Temple period that were attributed to biblical figures but excluded from the Hebrew Bible—contain accounts of heavenly twins in the form of spirits, images,

faces, children, mirrors, and angels of the Presence. Orlov provides a comprehensive analysis of these traditions in their full historical and interpretive complexity. He focuses on heavenly alter egos of Enoch, Moses, Jacob, Joseph, and Aseneth in often neglected books, including *Animal Apocalypse*, *Book of the Watchers*, *2 Enoch*, *Ladder of Jacob*, and *Joseph and Aseneth*, some of which are preserved solely in the Slavonic language.

Enochian Magic and the Higher Worlds Mohr Siebeck

The "wisest and most captivating novel" (Boston Globe) from the author of the bestselling *The Joy Luck Club* and *The Backyard Bird Chronicles* Set in San Francisco and in a remote village of Southwestern China, Amy Tan's *The Hundred Secret Senses* is a tale of American assumptions shaken by Chinese ghosts and broadened with hope. In 1962, five-year-old Olivia meets the half-sister she never knew existed, eighteen-year-old Kwan from China, who sees ghosts with her "yin eyes." Decades later, Olivia describes her complicated relationship with her sister and her failing marriage, as Kwan reveals her story, sweeping the reader into the splendor and violence of mid-nineteenth century China. With her characteristic wisdom, grace, and humor, Tan conjures up a story of the inheritance of love, its secrets and senses, its illusions and truths.

"[A] comprehensive resource, which contains texts, posters, slides, and other materials about outstanding works of Egyptian art from the Museum's collection"--Welcome (preliminary page).

Decolonizing Pathways Towards Integrative Healing in Social Work Catholic Answers Press

FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF BITTEN—NOW A SYFY

SERIES From one of today's most original writers comes the mesmerizing tale of an exceptional young woman caught up in an otherworldly realm where some will stop at nothing to get what they want. Paige Winterbourne was always either too young or too rebellious to succeed her mother as leader of one of the world's most powerful elite organizations—the American Coven of Witches. Now that she is twenty-three and her mother is dead, the Elders can no longer deny her. But even Paige's wildest antics can't hold a candle to those of her new charge—an orphan who is all too willing to use her budding powers for evil...and evil is all too willing to claim her. For this girl is being pursued by a dark faction of the supernatural underworld. They are a vicious group who will do anything to woo the young, malleable, and extremely powerful neophyte, including commit murder—and frame Paige for the crime. It's an initiation into adulthood, womanhood, and the brutal side of magic that Paige will have to do everything within her power to make sure they both survive.

On the Cessation of the Charismata University of California Press

Meet the smart, sexy — supernatural — women of the otherworld. This is not your mother's coven... Kelley Armstrong returns with the eagerly awaited follow-up to *Dime Store Magic*. Paige Winterbourne, a headstrong young woman haunted by a dark legacy, is now put to the ultimate test as she fights to save innocents from the most insidious evil of all... In the aftermath of her mother's murder, Paige broke with the elite, ultraconservative American Coven of Witches. Now her goal is to start a new Coven for a new generation. But while Paige pitches her vision to uptight thirty-something witches in business suits, a more urgent matter commands her attention. Someone is murdering the teenage offspring of the underworld's most influential Cabals — a circle of families that makes the mob look like amateurs. And none is more powerful than the Cortez Cabal, a faction Paige is intimately acquainted with. Lucas Cortez, the rebel son and unwilling heir, is none other than her boyfriend. But love isn't blind, and Paige has her eyes wide open as she is drawn into a hunt for an unnatural-born killer. Pitted against shamans, demons, and goons, it's a battle chilling enough to make a wild young woman grow up in a hurry. If she gets the chance.
