John Lydon remains a captivating and dynamic figure to this day—both as a musician, and, thanks to his outspoken, controversial, and from-the-hip opinions, as a cultural commentator. In *Anger is an Energy*, he looks back on a life full of incident, from his beginnings as a sickly child of immigrant Irish parents growing up in post-war London to his present status as a vibrant, alternative hero.

'*Anger is an Energy*' is John Lydon's second attempt at an autobiography, following 1994's

'*Rotten - No Irish, No Blacks, No Dogs*'. (Clearly one of the drawbacks of writing an 'early in life' autobiography, is that there may well be a lot of life still left to live and still left to write about).

It is only by withholding this expression that we can actually experience the energy and digest it in a new way. The nonexpression of anger allows us to feel— to fully feel—the emotion of anger directly. In the process we learn to live, to be, in a way that is more in accord with our true nature, our open heart.
