Slugs and Snails (Collins New Naturalist Library, Book 133) Modernista

On 20th August 1940 Trotsky 's life was brutally ended when a Stalinist agent brought an ice pick crashing down on his head. Among the works left unfinished was the second part of his biography of Stalin. Trotsky 's Stalin is unique in Marxist literature in that it attempts to explain some of the most decisive events of the 20th century, not just in terms of epoch-making economic and social transformations, but in the individual psychology of one of the protagonists in a great historical drama. It is a fascinating study of the way in which the peculiar character of an individual, his personal traits and psychology, interacts with great events. How did it come about that Stalin, who began his political life as a revolutionary and a Bolshevik, ended as a tyrant and a monster? Was this something pre-ordained by genetic factors or childhood upbringing? Drawing on a mass of carefully assembled material from his personal archives and many other sources, Trotsky provides the answer to these questions. In the present edition we have brought together all the material that was available from the Trotsky archives in English and supplemented it with additional material translated from Russian. It is the most complete version of the book that has ever been published.

Lord of the Flies Scholastic Inc.

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime.

Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent

government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Down and Out in Paris and London Maple Tree

George Orwell's famous satire of the Soviet Union, in which "all animals are equal but some animals are more equal than others."

Animal Farm by George Orwell epubli

"A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." –Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." –Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read *Things Fall Apart* is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most

illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

Keep the Aspidistra Flying Independently Published

Burmese Days is George Orwell's first novel, originally published in 1934. Set in British Burma during the waning days of the British empire, when Burma was ruled from Delhi as part of British India, the novel serves as a portrait of the dark side of the British Raj. At the center of the novel is John Flory, trapped within a bigger system that is undermining the better side of human nature. The novel deals with indigenous corruption and imperial bigotry in a society where natives peoples were viewed as interesting, but ultimately inferior. Includes a bibliography and brief bio of the author.

Animal Farm by George Orwell
From The Writer of the Books Like : 1. 1984 2. Animal Farm Down and Out in Paris and London 3. Homage to Catalonia 4. Burmese Days 5. The Road to Wigan Pier 6. Keep the Aspidistra Flying 7. Coming Up for Air 8. Why I Write About the Author : Eric Arthur Blair (25 June 1903 – 21 January 1950), known by his pen name George Orwell, was an English novelist, essayist, journalist and critic. His work is characterised by lucid prose, social criticism, opposition to totalitarianism, and support of democratic socialism. Animal Farm by George Orwell
Orwell produced literary criticism and poetry, fiction and polemical journalism. He is known for the allegorical novella *Animal Farm* (1945) and the dystopian novel *Nineteen Eighty-Four* (1949). His non-fiction works, including *The Road to Wigan Pier* (1937), documenting his experience of working-class life in the industrial north of England, and *Homage to Catalonia* (1938), an account of his experiences soldiering for the Republican faction of the Spanish Civil War (1936–1939), are as critically respected as his essays on politics and literature, language and culture. Animal Farm by George Orwell
Blair was born in India, and

raised and educated in England. After school he became an Imperial policeman in Burma, before returning to Suffolk, England, where he began his writing career as George Orwell—a name inspired by a favourite location, the River Orwell. He lived from occasional pieces of journalism, and also worked as a teacher or bookseller whilst living in London. From the late 1920s to the early 1930s, his success as a writer grew and his first books were published. He was wounded fighting in the Spanish Civil War, leading to his first period of ill health on return to England. During the Second World War he worked as a journalist and for the BBC. The publication of *Animal Farm* led to fame during his life-time. During the final years of his life he worked on 1984, and moved between Jura in Scotland and London. It was published in June 1949, less than a year before his death.

Animal Farm by George Orwell
About the book : *Animal Farm* is a satirical allegorical novella by George Orwell, first published in England on 17 August 1945. The book tells the story of a group of farm animals who rebel against their human farmer, hoping to create a society where the animals can be equal, free, and happy. Ultimately, the rebellion is betrayed, and the farm ends up in a state as bad as it was before, under the dictatorship of a pig named Napoleon.

Animal Farm by George Orwell
According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by his experiences during the May Days conflicts between the POUM and Stalinist forces during the Spanish Civil War. The Soviet Union had become a totalitarian autocracy built upon a cult of personality while engaging in the practice of mass incarcerations and secret summary trials and executions. In a letter to Yvonne Davet, Orwell described *Animal Farm* as a satirical tale against Stalin ("un conte satirique contre Staline"), and in his essay "Why I Write" (1946), wrote that *Animal Farm* was the first book in which he tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole".

Animal Farm by George Orwell
The original title was *Animal Farm: A Fairy Story*, but U.S. publishers dropped the subtitle when it was published in 1946, and only one of the translations during Orwell's lifetime kept it. Other titular variations include subtitles like "A Satire" and "A Contemporary Satire". Orwell suggested the title *Union des r é publiques socialistes animales* for the French translation, which abbreviates to URSA, the Latin word for "bear", a symbol of Russia. It also played on the French name of the Soviet Union, *Union des*

r é publiques socialistes sovi é tiques.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Politics and the English Language*, the second in the Orwell's Essays series, Orwell takes aim at the language used in politics, which, he says, 'is designed to make lies sound truthful and murder respectable, and to give an appearance of solidity to pure wind'. In an age where the language used in politics is constantly under the microscope, Orwell's *Politics and the English Language* is just as relevant today, and gives the reader a vital understanding of the tactics at play. 'A writer who can – and must – be rediscovered with every age.' — Irish Times
