A brutal murder, a suspect in jail, and an execution planned--but what if the wrong person is about to be killed? When a fellow U.S. Marshal asks Anita Blake to fly to a tiny community in Michigan's Upper Peninsula on an emergency consult, she knows time is running short. When she arrives, there is plenty of proof that a young wereleopard killed his uncle in the most gruesome and bloody way possible. As the mounting evidence points to him, a warrant of execution is already under way. But something seems off about the murder, and Anita has been asked for her expert opinion on the crime scene. Despite escalating pressure from local cops and the family's cries for justice for their dead patriarch, Anita quickly realizes that the evidence doesn't quite add up. Time is against Anita, as the tight-knit community is up in arms and its fear of supernaturals is growing. She races to uncover the truth and determine whether the Marshals have caught the killer or are about to execute an innocent man--all in the name of justice.

I am Meredith Gentry, princess and heir apparent to the throne in the realm of faerie, onetime private investigator in the mortal world. To be crowned queen, I must first continue the royal bloodline and give birth to an heir of my own. If I fail, my aunt, Queen Andais, will be free to do what she most desires: install her twisted son, Cel, as monarch . . . and kill me. My royal guards surround me, and my best loved – my Darkness and my Killing Frost – are always beside me, sworn to protect and make love to me. But still the threat grows greater. For despite all my carnal efforts, I remain childless, while the machinations of my sinister, sadistic Queen and her confederates remain tireless. So my bodyguards and I have slipped back into Los Angeles, hoping to outrun the gathering shadows of court intrigue. But even exile isn't enough to escape the grasp of those with dark designs. Now King Taranis, powerful and vainglorious ruler of faerie's Seelie Court, has leveled accusations against my noble guards of a heinous crime – and has gone so far as to ask the mortal authorities to prosecute. If he succeeds, my men face extradition to faerie and the hideous penalties that await them there. But I know that Taranis's charges are baseless, and I sense that his true target is me. He tried to kill me when I was a child. Now I fear his intentions are far more terrifying.

'People don't like dealing with people who raise the dead. Don't ask me why, but we make them nervous.' There's something about Leo Harlan that I don't like. He's asked me to animate his long-dead ancestor, and it seems like a perfectly ordinary case for someone like me: Anita Blake, preternatural expert, vampire hunter and raiser of the dead. So I agree - sometimes you deal with the devil not because you want to, but because if you don't, someone else will. But what he hasn't told me is that the corpse may hold the secret to an ancient crime that not everyone wants to be remembered.
