The Pleiadian Workbook is a direct transmission from the Pleiadian Emissaries of Light--Light beings from the Pleiades--who say it's time now for spiritual growth, ascension, and healing. Through Amora Quan Yin, we are taught to open our "Ka Channels," which pull energy from our multidimensional, holographic selves into our physical bodies. These galactic healing techniques align us with our divine selves, raise our vibratory rates, and rejuvenate and balance our bodies, while accelerating spiritual evolution and stimulating emotional healing.

There are two ways to leave the Amish—one is through life and the other through death. When Saloma Miller Furlong's father dies during her first semester at Smith College, she returns to the Amish community she had left twenty

four years earlier to attend his funeral. Her journey home prompts a flood of memories. Now a mother with grown children of her own, Furlong recalls her painful childhood in a family defined by her father's mental illness, her brother's brutality, her mother's frustration, and the austere traditions of the Amish—traditions Furlong struggled to accept for years before making the difficult decision to leave the community. In this personal and moving memoir, Furlong traces the genesis of her desire for freedom and education and chronicles her conflicted quest for independence. Eloquently told, *Why I Left the Amish* is a revealing portrait of life within—and without—this frequently misunderstood community.

Star children are children who have been sent here from all areas of the universe to help the earth and the people on it. They possess psychic, spiritual, and other extra sensory abilities. These children will bring peace, topple corrupt systems, and

shift dimensional consciousness in the years to come. They have come here on special assignment to assist in this rebirth into a higher dimensional Earth. Since the beginning of time, parents have wished their kids came with an owner's manual. Big changes are coming as this is a new world, a new energy grid, and the children of the stars, or Star children as we call them, have finally arrived to help save the earth with no owner's manual. This book is a guide to help parents understand their Star children and to help each parent spiritually understand what is happening with these gifted youngsters who are here to help us. Yes, your children can be your spiritual advisors and they are here to help us. They will try to teach us many lessons. Most we won't understand, some we won't even know are lessons. With the help of this guide, a few of us may catch on. Valuable for educators to become aware that they are dealing with an entirely new generation of children who do not think or behave like those who have gone before them. This book is also intended to help our younger or older Star children understand and not be afraid of what they are seeing or hearing that many others

cannot see or hear. Topics: Indigo to Crystal to Rainbow Transitions; Environmental Stress and Your Star Child; The Importance of healthy Food; The Nine Dimensions of Consciousness; A Global Crisis: Help Is On the Way. Star Children Createspace Independent Publishing Platform

Return of the Bird Tribes Hay House, Inc

In 1945 when the atomic bombs were dropped in WWII, our "protectors" and "watchers" in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the "outside", but maybe they could influence from the "inside". So the call went out for volunteers to come and help. "Earth is in trouble - who wants to volunteer?" The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the

"Source" and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions.

Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world.

These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. *
