Heroic Diarist of the Holocaust Millbrook Press

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. "The single most

compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Public Library Best Book for Kids, 2016 Told from the perspective of the tree outside Anne Frank's window—and illustrated by a Caldecott Honor artist—this book introduces her story in a gentle and incredibly powerful way to a young audience. The tree in the courtyard was a horse chestnut. Her leaves were green stars; her flowers foaming cones of white and pink. Seagulls flocked to her shade. She spread roots and reached skyward in peace. The tree watched a little girl, who played and laughed and wrote in a diary. When strangers invaded the city and warplanes roared overhead, the tree watched the girl peek out of the curtained window of the annex. It watched as she and her family were taken away—and when her father returned after the war, alone. The tree died the summer Anne Frank would have turned eighty-one, but its seeds and saplings have been planted around the world as a symbol of peace. Its story, and Anne ' s story, are beautifully told and illustrated in this powerful picture book.

This book is based on Eda Shapiro's interviews with Kugler conducted in Toronto in 1969-73. Born in Bohemia, Kugler (1900-1981) was a business partner of Otto Frank in Amsterdam in 1933-42. When the Frank family went into hiding in 1942, Kugler continued to manage the business, and he materially supported the Franks in their Secret Annex. He appears in Anne Frank's diary as Mr. Kraler. After the Secret Annex was exposed and the Frank family was arrested by the Nazis in August 1944, Kugler was also arrested and sent to the Amersfoort internment camp. Later he was sent to the labor camps of Zwolle and Wageningen. He managed to escape from the latter camp shortly before the liberation. In 1955 Kugler settled in Canada. Mentions the symphonic and vocal composition "From the Diary of Anne Frank" by Czech-born Canadian composer Oskar Morawetz. Kugler was recognized by Yad Vashem as a Righteous Gentile, and received other awards by Canadian institutions for helping the Frank family and the others hiding in the Secret Annex.

Behind the Bookcase Knopf Books for Young Readers

Using new technology, recently discovered documents and sophisticated investigative techniques, an international team-led by an obsessed retired FBI agent-has finally solved the mystery that has haunted generations since World War II: Who betrayed Anne Frank and her family? And why? Over thirty million people have read *The Diary of a Young Girl*, the journal teen-aged Anne Frank kept while

living in an attic with her family and four other people in Amsterdam during World War II, until the Nazis arrested them and sent them to a concentration camp. But despite the many works-journalism, books, plays and novels-devoted to Anne's story, none has ever conclusively explained how these eight people managed to live in hiding undetected for over two years-and who or what finally brought the Nazis to their door. With painstaking care, retired FBI agent Vincent Pankoke and a team of indefatigable investigators pored over tens of thousands of pages of documents-some never before seen-and interviewed scores of descendants of people familiar with the Franks. Utilizing methods developed by the FBI, the Cold Case Team painstakingly pieced together the months leading to the infamous arrest-and came to a shocking conclusion. *The Betrayal of Anne Frank: A Cold Case Investigation* is the riveting story of their mission. Rosemary Sullivan introduces us to the investigators, explains the behavior of both the captives and their captors and profiles a group of suspects. All the while, she vividly brings to life wartime Amsterdam: a place where no matter how wealthy, educated, or careful you were, you never knew whom you could trust.
