Annie's Ghosts : A Journey into a
Family Secret by Steve ...

Annie's Ghost was a fascinating
read for me. I am into genealogy,
and Mr. Luxenberg's research was
right on with my experiences. I too
have a relative that spent 50 years
of her adult life in the Kalamazoo
Hospital. There are struggles that a
family researcher has on whether to
keep searching and how much to
share with the rest of the family.
