Ansul Autopulse 2000 Manual

Ansul Autopulse 2000 Manual

I got an AutoPulse 2000 today, brand new with all the documentation. However, it seems that it was used as a prop. The board that connects the LEDs to the ribbon cables is missing and all the LEDs have been connected to a set of batteries, however everything else with the panel is fine.

AUTOPULSE detection, control and fire

suppression system release panels provide

automatic 24/7 fire protection. Detection options

include smoke, heat, and flame detection. The

control panels process detection signals from

protected areas and immediately perform key

operations including sounding alarms, shutting

down equipment and releasing the fire suppression system.
