role-playing projects in which P. Hacker had participated in or created. It tells the tale of two boys, Vilmare and Rondo, who are separated by mountains, oceans, and cultures. Our young heroes are on a collision course with destiny, which will lead them to a bond that seems unbreakable. But the trials of this world will lead them into adventure at every turn, to character development under every stone, and to perilous situations waiting in the shadows. What direction will the wind blow to guide the

young boys on their quest to save Stelvose? In the midst of an untimely quest, actions of courage, deception, and love will take place. Start your adventure, meet compelling characters, snuggle up to possibilities, and explore the world of Stelvose. Beware, the story is not for the faint of heart.
