This collection of Robert Dawidoff's essays and journalism is peopled by the likes of the Founding Fathers, Fred Astaire, Henry and William James, Sophie Tucker, Trent Lott, and Cole Porter. Drawing together this unlikely cast of characters, Dawidoff probes into the role of outsider groups as well as intellectual and political elites in the formation of American culture. As a scholar of intellectual and cultural history, Dawidoff takes the stance that historians ought to take an active role in our democratic culture, informing and participating in public discourse. He argues for a broad reach when it comes to cultural expression, resisting the polarization of formal intellectual history and folk or commercial popular culture. In his view and in his book, Ralph Waldo Emerson and Katharine Hepburn are equally worthy topics for a historian's consideration, providing that they are treated with equal seriousness of purpose and analytic rigor. In "The Gay Nineties" section that closes the book, he traces key events in the continual struggle for gay and lesbian civil rights and takes on such unresolved issues as safer sex, needle exchange programs to control HIV transmission, and the public controversy around the portrayal of gay and lesbian television characters. Divided into sections that deal with the patriarchs of American political and intellectual culture, expressive culture, and a historian's public voice, this book is a model of engaged and engaging writing. Accessible and witty, Making History Matter will appeal to general and academic readers interested in American history as well as gay and lesbian political and cultural issues. Author note: Robert Dawidoff is John D. and Lillian Maguire Distinguished Chair and Professor of History at Claremont Graduate University. He is most recently the author (with Michael Nava) of Created Equal: Why Gay Rights Matter to America and The Genteel Tradition and the Sacred Rage: High Culture V. A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1963, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. The 22-book American Milestone series is featured as "Retailers Recommended Fabulous Products" in the August 2012 edition of Educational Dealer magazine. This book points out that "...All are created equal." Thomas Jefferson wrote these words in our nation's Declaration of Independence. Yet for many years, these words did not apply to "all men" or all women. Many Americans were not treated with the same civil rights as others. The Civil Rights movement had roots with the abolitionists who worked to end slavery and the "Conductors" of the Underground Railroad. But many were working for civil rights even before the Emancipation Proclamation and the Thirteenth Amendment. The Civil Rights Movement changed America during the twentieth century. It brought an end to segregation, unfair voting practices, and other unfair treatments of minorities in the United States. Rosa Parks and Martin Luther King, Jr. led many Americans to realize that the country needed a Civil Rights Movement so that all men and women could really be equal! How did Rosa Parks and Martin Luther King, Jr. contribute to the Civil Rights Movement? How did the Civil Rights Movement change the United States? When did the Civil Rights Movement end? Is it still going on? Look inside to learn more about the Civil Rights Movement means for American today! This 32-page book is reproducible and educational. Dr. King ' s best-selling account of the civil rights movement in
Birmingham during the spring and summer of 1963 On April 16, 1963, as
the violent events of the Birmingham campaign unfolded in the city ' s
streets, Dr. Martin Luther King, Jr., composed a letter from his prison cell
in response to local religious leaders ' criticism of the campaign. The
resulting piece of extraordinary protest writing, " Letter from
Birmingham Jail, " was widely circulated and published in numerous
periodicals. After the conclusion of the campaign and the March on
Washington for Jobs and Freedom in 1963, King further developed the
ideas introduced in the letter in *Why We Can ' t Wait*, which tells the
story of African American activism in the spring and summer of 1963.
During this time, Birmingham, Alabama, was perhaps the most racially
segregated city in the United States, but the campaign launched by King,
Fred Shuttlesworth, and others demonstrated to the world the power of
nonviolent direct action. Often applauded as King ' s most incisive and
eloquent book, *Why We Can ' t Wait* recounts the Birmingham
campaign in vivid detail, while underscoring why 1963 was such a crucial
year for the civil rights movement. Disappointed by the slow pace of
school desegregation and civil rights legislation, King observed that by
1963—during which the country celebrated the one-hundredth
anniversary of the Emancipation Proclamation—Asia and Africa were
" moving with jetlike speed toward gaining political independence but we
still creep at a horse-and-buggy pace. " King examines the history of the
civil rights struggle, noting tasks that future generations must accomplish
to bring about full equality, and asserts that African Americans have
already waited over three centuries for civil rights and that it is time to be
proactive: " For years now, I have heard the word ' Wait! ' It rings in
the ear of every Negro with piercing familiarity. This ' Wait ' has almost
always meant ' Never. ' We must come to see, with one of our
distinguished jurists, that ' justice too long delayed is justice denied. ' "
