## Finish Line Mathematics

The Finish Line Mathematics for the Common Core State Standards workbook provides instruction and practice for the Common Core State Standards for Mathematics recently adopted by your state. Lessons emphasize rigor of text and higher-order thinking skills, and focus on development of the process skills. The format features instruction with step-by-step examples, guided practice, and independent work. Students will answer selected response, constructed-response, and extended-response questions. To align with the Common Core requirements, Finish Line practice builds on the underlying structure of mathematics to prepare students for algebra by the end of grade 7. Reviews at the end of each unit and a practice test at the end of the book help you monitor progress.
