At last a workbook for students to use along with Anne Carroll's Christ and the Americas. The workbook helps the student in mentally processing a large amount of information and grasping the major historical concepts as well as names, places, dates and events. Then, with the answers filled in, the questions become a great study guide and memory aid. This workbook includes the Catholic dimension which has been so well brought out by Anne Carroll in the textbook.

PARENTS & TEACHERS, give your students the chance to: Study God's Word daily for themselves Discover personal applications in the Bible Practice discussing what God is teaching them Consider praying to accept Jesus as Savior Understand that truly following Jesus means changing to be like Him The fill-in-the-blank, circle-the-answer workbook (ISBN 978-0-595-45905-6) makes it easy for kids to find out from God's Word (the Bible) what obeying really means. Obedience experts Abram, Noah and Rebekah show them how. Plus, special "Mind-Changers" sections help kids think through what God is teaching them personally each day. Here's what others say: "I liked the exciting Bible stories and saw things I'd never seen

before as I answered the questions. Those Mind-Changers really challenged me to consider my own actions." -Madeline Crow Student, Age 9-Cumbrio, England "What an excellent tool to get kids in the Bible daily . talking about what God's teaching them. It even explains what it means to accept Jesus as Savior." -Eric Haven Executive Pastor, Woodside Bible Church-Troy, MI, USA "Our boys really enjoyed the fun, easy format. Scripture printed in the book means less looking up for young students." -Laura Meek Pastor's wife-Chicago, IL, USA "I was surprised to hear my kids reminding each other to live out what they're learning. Terrific summer study!" -Heather Davis Homeschool mom of 5-Southfield, MI, USA

•We've added a comprehensive basic math review to this edition. It will get your students off to a good start in statistics. • In the worksheets, students obtain answers to humorous riddles if their work is correct. If the answer to a riddle does not make sense, they know to check their work. • Easy to coordinate with all major statistics textbooks because each exercise covers only a limited number of statistics. • All major topics are included—from calculating percentages to conducting a one-way ANOVA. • Over 40 humorously illustrated, interactive guides give your students solid advice on study skills covering everything from how to get the most out of a statistics textbook to how to work with a tutor. • The 64-page instructor's answer key shows all the steps in the solutions for the computational problems. This key makes it easy for you to start using the workbook right away. • This book has been a perennial best-seller. Minor adjustments throughout bring you an improved Second Edition for 1999.

More Reading Power 3 is enhanced by research-based methods and activities for learning vocabulary. Longer reading passages and new study-reading activities, including outlining and text marking, prepare students to enter the world of academic reading. More Reading Power's unique process methodology teaches students to view reading as a process. The series encourages students to develop a strategic approach to reading and to view reading in English as a problem-solving activity rather than a translation exercise. More Reading Power delivers on that effective process approach with strategies and practice for strengthening comprehension skills, building vocabulary, increasing reading speed, and preparing for testing.
