worksheets, and charts, this toolkit demonstrates how to: Establish new classroom norms Involve students in the use of assessment data and feedback to inform their next steps Clarify end-of-unit criteria to help map learning progression Apply assessment data to grouping students for tiered activities Differentiate assignments based on student readiness, characteristics, and interest *A Guide for Using A Year Down Yonder in the Classroom* Mark Twain Media "It started with a poem torn out of The New Yorker," says J. Barry Koops of this collection of poems. "It was the voice in the poem that snagged my attention." In the 85 poems that Koops

eventually chose "sometimes I recognize the math teacher across the hall; a colleague whose passing I mourn; a professor whose fingerprints are all over my life; a student who, I recognize, will do what I cannot; a classmate remembered over decades, who said what I was thinking; a joke or a jest like an arrow." Koops predicts that "in the four sections you will hear something like threads of conversations, voices responding to one another, objecting, refuting, reflecting." Final Exam lifts a glass to memorable teachers and mentors and toasts "the schools we remember with nostalgia and regret." Koops offers this book as a tribute to teachers and professors

"who chose a life of significance, a life that made a difference—the teaching life."

"Impressive . . . [Cristina García's] story is about three generations of Cuban

women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the ‘sustaining aromas of vanilla and almond,’ as rhythmic as the music of Beny Moré.” —Time Cristina García’s acclaimed book is the haunting, bittersweet story of a family experiencing a country’s revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and

poverty, idealism and corruption. Dreaming in Cuban is “a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez” (The New York Times). In celebration of the twenty-fifth anniversary of the novel’s original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* “Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and

lush.” —San Francisco Chronicle “Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose.” —The Washington Post “Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind.” —The Denver Post A Guide for Using *The War with Grandpa* in the Classroom, Based on the Novel Written by Robert Kimmel Smith Teacher Created Resources AP Teachers’ #1 Choice! Using Formative Assessment to Differentiate Middle School

Literacy Instruction Routledge Jump-starts the class with quick, easy-to-use activities Builds poetry analysis skills Broadens cultural literacy with timeless poems Connects poetry to students' lives through interdisciplinary Job Corps Center Review Guide Teacher Created Resources Return to Miss Stretchberry's

class with Jack, the reluctant poet, who over the course of a year encounters new and challenging things like metaphors, alliterations, onomatopoeia, and one mean fat black cat! The Newbery Medal-winning author of Walk Two Moons, Sharon Creech, introduced Jack in Love That Dog, a New York Times bestseller. Both Love That Dog and Hate That Cat are approachable, funny, warm-hearted introductions to poetry told from the point of view of a very real kid wrestling with school assignments. These books are fast reads that will be welcomed by middle graders as

they too wonder how poetry and schoolwork connect with their interests and how to uncover their true voices. In *Hate That Cat*, Jack is only trying to save that fat black cat stuck in the tree by his bus stop—but the cat scratches him instead! At school Miss Stretchberry begins teaching new poems, everything from William Carlos Williams to Valerie Worth to T.S. Eliot. As the year progresses, Jack gradually learns to love that cat and finds new ways to express himself.

Learning the Secrets of English Verse Teacher Created

Resources

This textbook teaches the writing of poetry by examining all the major verse forms and repeating stanza forms in English. It provides students with the tools to compose successful lines of poetry and focuses on meter (including free verse), rhythm, rhyme, and the many other tools a poet needs to create both music and meaningfulness in an artful poem. Presenting copious examples from strong poets of the past and present along with many recent student examples, all of which are scanned, each chapter offers lessons in poetic

history and the practice of writing verse, along with giving students a structured opportunity to experiment writing in all the forms discussed. In Part 1, Rothman and Spear begin at the beginning, with Anglo-Saxon Strong Stress Alliterative Meter and examine every major meter in English, up to and including the free verse forms of modern and contemporary poetry. Part 2 presents a close examination of stanza forms that moves from the simple to the complex, beginning with couplets and ending with the 14-line Eugene Onegin stanza. The goal of the book is to give students the essential skills

to understand how any line of poetry in English may have been composed, the better to enjoy them and then also write their own: the keys to the treasure chest. Rothman and Spear present a rigorous curriculum that teaches the craft of poetry through a systematic examination and practice of the major English meters and verse forms. Under their guidance, students hone their craft while studying the rich traditions and innovations of poets writing in English. Suitable for high school students and beyond. I studied with Rothman in graduate school and went through this

course with additional scholarly material. This book will help students develop a keen ear for the music of the English language.—Teow Lim Goh, author of *Islanders*
