The primary objective of this book is to help students develop command over fundamentals and their application through challenging questions. In this book, only those problems have been selected, which in the opinion of Career Point Faculty team, are most important for mastering application of concepts. This book covers a variety of questions asked in the IIT JEE examination ~ be it MCQ (One or More than One correct choice), Numeric Response Type, Matrix match type, paragraph based questions etc. A mix of questions helps stimulate and strengthen question-solving skills of the student. The majority of questions are not easy; some of them are definitely difficult. We believe if you solve these questions on your own, you

will achieve a higher degree of understanding of concepts. We would like to suggest that you should attempt this book only after you complete a chapter. This book is also used by Lakshya Batch students of Career Point to give a finishing touch to their preparation for JEE-Advanced Exam. We hope this book would immensely help genuine, hardworking students in sharpening their questions solving skills enabling them to achieve a seat in most prestigious colleges. We take this opportunity to express our deepest appreciation to CP Publishing team, who helped in the editing of the book. We will greatly appreciate if the users of this book will let us know about any errors or misprints that they may happen to encounter. We will incorporate the same in the subsequent editions. This book covers the complete Chemistry course for JEE Advanced.
