The Renaissance. Answer Key. The Renaissance was a period in western European history from 1300 to 1600. Increased trade between European cities and the rest of the world weakened the feudal manor and helped cities grow. Local lords were not as powerful as they were during the Middle Ages and peasants found new freedoms at home and in the cities. The decline of feudalism and the movement of people and ideas made the Renaissance a time of great advances in western history.
