From one of America's top meditation teachers and mindfulness experts comes a revolutionarily simple approach to everyday practice—especially if you don't think you have the time or the patience. Imagine you're sitting on a cushion with your legs crossed, ready to tap into unlimited joy. There's just one problem: You can't get comfortable (let alone still), and your head is full of way too many thoughts. The problem is not with meditation, or you, though—the issue may be with your approach. When properly understood and practiced, meditation should feel easy, calming, and comfortable. In Bliss More, maverick instructor Light Watkins provides the tools for making it E.A.S.Y. (Embrace, Accept, Surrender, Yield), dispels the biggest myths and misunderstandings, and shares real-world tips and straight talk for hacking into this ancient practice. The result: a happier and healthier you, inside and out. Watkins also shares candid testimonials from people whose lives have been enriched through his method, and extensive resources for transforming a daily chore into an enjoyable activity. Even the biggest skeptic will look forward to sitting for meditation every day. Whether you're a novice or experienced practitioner, Bliss More will shed light on the path to a clearer mind, better sleep, and more bliss in everyday life. Praise for Bliss More “With Light Watkins as your guide, you will unlock the secrets to establishing a regular and powerfully healthy daily practice.”—Deepak Chopra, M.D. “Bliss More is one of the best meditation books I've ever come across for getting you started. Light Watkins has the gift of being able to demystify meditation in a way that will make you want to meditate, even if you feel your mind is too busy.”—Frank Lipman, M.D., author of 10 Reasons You Feel Old and Get Fat “If you're ready to start a solid meditation practice, look no further.”—Rosario Dawson, actress “Light takes the world's most powerful practice and turns it into something you can't wait to do, something you're actually excited about.”—Pam Grout, author of E-Squared and Thank & Grow Rich “Bliss More is a treasure trove of powerful, practical, and priceless techniques to finally master your meditation practice.”—Davidji, meditation teacher and author of Sacred Powers

It starts with the unthinkable--the most horrific act of violence ever committed on American soil. Only one man can stop them. Hostile Intent Code named Devlin, he exists in the blackest shadows of the United States government--operating off the grid as the NSA's top agent. He's their most lethal weapon. . . and their most secret. But someone is trying to draw him out into the open by putting America's citizens in the crosshairs--and they will continue the slaughter until they get what they want. All Enemies Foreign And Domestic The NSA's most lethal weapon is back. Code-named Devlin, he operates in the darkest recesses of the US government. When international cyber-terrorists allow a deadly and cunning band of radical insurgents to breach the highest levels of national security, Devlin must take down an enemy bent on destroying America--an enemy more violent and ruthless than the world has ever known. "You'll love Walsh's books!" —Rush Limbaugh Countdown To Armageddon It begins in California with a devastating biological attack—a horrific display of homegrown terror unseen on U.S. soil—just weeks before the

presidential election. For the White House, it is a political nightmare, as it threatens to plunge the country into panic and economic chaos. But for the NSA's undercover agent Devlin, it is the ultimate warning. Devlin knows who's behind the mayhem. He knows who controls the media. And he knows that, unless he can stop it, the End of Days begins. . . on Election Day.

Sam Dryden lives quietly in a small coastal town in southern California, buying and fixing up old houses. It's good physical work that he's come to love. But his peaceful life is shattered when he gets a phone call from an old friend in trouble. A phone call that pulls Dryden into the middle of a situation that's as violent as it is baffling. For FBI agent Marnie Calvert, it all begins at a secluded trailer in the Mojave Desert—the scene of a horrifying crime, but also of an impossible and mysterious act of heroism. At least, it should have been impossible. Determined to learn the truth, what Calvert discovers leads her to Sam Dryden—an ex-Special Forces operative whose ordinary life has suddenly become anything but. Through their actions, Dryden and Calvert have unknowingly placed themselves in the cross-hairs of a frightening and dangerous enemy, the result of a generations-long conspiracy finally coming to fruition. What these people have is a technology that allows them to affect events before they even happen. How they are planning to use it, however, will result in the death of millions. To defeat them, Dryden will need to do more than think fast—he'll need to think around corners, and face down an enemy that can seize on his mistakes before he even makes them.

Following the national bestseller Runner, Sam Dryden, Patrick Lee's most indelible creation, returns in one of the most compelling, breathless thrillers yet---Signal.
