His Stubborn Mate The Ward Wolf Pack Novella Series Book 2 Mason Ward has spent the last eleven years, learning to fly planes in the Alaskan wild, delivering supplies to those who lived off the grid and hikers looking for the thrill of going at it on their own. But, as a white wolf and a hunted shifter, he lives his life in solitude.

Charlie Hines has applied to every place she can think of, looking for a job as a bush pilot. She knows the backcountry better than anyone else and has the resume to prove it. When she steps through the doors of Ward Air & Transportation, she knows she has found the place she belongs, but there's one complication. Mason's wife wants nothing more than to tuck Charlie under his arm and run away with her, but the stubborn pilot won't give in when she finally realizes his true nature. Word from the lower forty-eight has informed the humans about shifters, but she could care less what he is. In fact, she would rather fly planes and deliver supplies than allow him to touch her.

The intimate, involving story of the rise and reign of O-Six, the fabled Yellowstone wolf, and the people who loved or feared her. For readers of H is for Hawk, captivating works of reportage, and iconic books on the American West. Before humans ruled the Earth, there were wolves. Once abundant in the United States, these majestic creatures were hunted to near

extinction by the 1920s. But in recent decades, conservationists have brought wolves from Canada back to Yellowstone National Park, igniting a battle over the very soul of the American West. With novelistic detail, Nate Blakeslee tells the gripping story of one of these wolves, a charismatic alpha female named O-Six. She's a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. Beloved by wolf watchers, particularly Yellowstone park ranger Rick McIntyre, O-Six becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is being challenged on all fronts: by hunters and their professional guides, who compete with wolves for the elk they all prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who resent her dominance of the stunningly beautiful Lamar Valley. These forces collide in *The Wolf*, a riveting multigenerational wildlife saga that tells a larger story about the clash of values in the West--between those fighting for a vanishing way of life and those committed to restoring one of the country's most vibrant landscapes.

Wild Cowboy Wolf The Wolf

Based on her inspiring, viral 2018 commencement speech to Barnard College's graduates in New York City, New York Times bestselling author, two-time Olympic gold medalist and FIFA World Cup champion Abby Wambach delivers her empowering rally cry for women to unleash their individual

power, unite with their pack, and emerge victorious together. Abby Wambach became a champion because of her incredible talent as a soccer player. She became an icon because of her remarkable wisdom as a leader. As the co-captain of the 2015 Women's World Cup Champion Team, she created a culture not just of excellence, but of honor, commitment, resilience, and sisterhood. She helped transform a group of individual women into one of the most successful, powerful and united Wolfpacks of all time. In her retirement, Abby's ready to do the same for her new team: All Women Everywhere. In Wolfpack, Abby's

message to women is: We have never been Little Red Riding Hood. We Are the Wolves. We must wander off the path and blaze a new one: together. She insists that women must let go of old rules of leadership that neither include or serve them. She 's created a new set of Wolfpack rules to help women unleash their individual power, unite with their Wolfpack, and change the landscape of their lives and world: from the family room to the board room to the White House. · Make failure your fuel: Transform failure to wisdom and power. · Lead from the bench: Lead from wherever you are. · Champion each other: Claim each woman ' s victory as your own. · Demand the effing ball: Don ' t ask permission: take what you ' ve earned. In Abby ' s vision, we are not Little Red Riding Hoods, staying on the path because we ' re told to. We are the wolves, fighting for a better tomorrow for ourselves, our pack, and all the future wolves who will come after us.
