When your cardiologist tells you to "Get your affairs in order, your heart condition is incurable," what do you do? Lynda shares her personal story in the typical fast-paced, edgy, in-your-face style she's known for in her writing. She will walk you through her journey to self-love sharing her belief in journals, love, prayer, soul, spirituality and positive mindset. She's hard-hitting but compassionate. She writes about romantic experiences that may shock you but makes no apologies for her unconventional lifestyle. Nor does she hold back taking responsibility for the things that she believes created her dis-ease. You will definitely question a woman who walks around in denial; then makes a decision to drive, all

alone, from Puerto Vallarta, Mexico to Whistler, Canada with undiagnosed Idiopathic Dilated Cardiomyopathy. Men and women are often self-care-challenged and Lynda was no the exception. If you are fighting any kind of illness or dis-ease, you are not alone! Lynda has walked her talk, and after an experience in the summer of 2015 relating to Dr. Wayne Dyer, she is now ready to release her story. Lynda knows how it feels to be told you're not healing or your condition is incurable. At no point will she undermine anything your physicians tell you to do. She is not a medical doctor. She will explain the powerful, yet simple concepts, beliefs, balance and faith that she believes led to her healing. Most of all, she will show you how she used these simple principles to design and live, the fully healed life she now enjoys in 2017. You will shake your head in wonder, laugh, and maybe cry too. If you want less pain, worry, and stress about dis-ease and life in general, you will want to read this simple yet powerful story. [College Essay Essentials](#) CreateSpace
Public Law is a high quality introductory textbook that comprehensively covers the key topics found on undergraduate public

law courses. Three key themes that permeate all of the content allow students to approach the content in a structured and easy to understand way and questions posed throughout the chapters give students the opportunity to provide answers that show how their knowledge has increased as the chapter progresses. The key themes are:

- The significance of executive power in the contemporary constitution and the challenge of ensuring that those who wield it are held to account
- The shift in recent times from a more political to a more legal constitution and the implications of this change
- The increasingly 'multi-layered' character of the British constitution

Online Resource Centre Public Law is accompanied by a free, open-access Online Resource Centre (www.oxfordtextbooks.co.uk/orc/elliott_thomas) which offers the following resources to support students:

- Figures from the book reproduced online
- A list of useful websites for students
- Regularly posted legal and political updates for the book
- A testbank of questions for tutors to assess students' progress

This book has been highly endorsed by lecturers for level of coverage, accuracy, and the manner

in which the three themes provide an excellent backdrop to the book's content. 'I think it will be a very welcome addition to the range of text books available and I suspect that it will become my personal favourite.' - Barbara Mauthe; Lancaster University 'I found the book impressive and likely to be of interest and use to a great many. It is written in a style that is pitched about the right level. It was easy to understand and provides - for me - a good blend of black letter law and socio-political context' - David Mead; University of East Anglia

Written by two experienced teachers of the subject, Public Law is an essential new text that focuses on what students need to engage with and understand this challenging subject.
