Model Railroad Craftsman John Wiley & Sons

This book, first published in 1987, expertly addresses the impact of automation on the profession of librarianship in terms of its practitioners, standards, and underlying philosophy. In clear and understandable language, it focuses - with practical examples - on the important decision of the location of the computer - at the library site or a remote automation centre. Designed to be a practical guide to host computer location, this articulate book also addresses the broad professional issues of library automation.

FCC Record AuthorHouse

Romancing the Spirit Series is a delightful collection of six novellas, each introducing new couples thrust in romantic suspense adventures with a touch of the supernatural. Sabrina's Storm. A woman seeking solace. A ghost hunter seeking the truth. And the storm that threatens both their lives.

Jenny's Justice. When prosecuting attorney Jenny Wiley sees the ghost of a murder victim, her hunt for justice thrusts her into a world of secrets and danger. Can Jenny stop the killer, or will she be the next victim? Stella's Star.

When Stella loses her memory, a guiding star leads her to the Orion family Christmas cabin. But danger on the mountain encroaches the peaceful holiday getaway. Will Stella's memories return in time to save them all from disaster? Gigi's Gift. Detective Gigi Montgomery has been suppressing her ability to see ghosts her entire life. But when her best friend's ghost appears, Gigi is determined to find the culprit-and that means facing her fears of the supernatural.

Phoenix's Phantom. Beneath a Broadway theater, Phoenix hears a mysterious and spellbinding voice singing. But is the voice one of comfort, seduction, or danger? And can she unravel the mystery before tragedy strikes? Fiona's Freedom. When Fiona accepts a marriage arrangement to avoid deportation and the past she left behind, her heart opens to the possibility of love. But a dangerous man from her past threatens to unravel the new life she's trying to build. *** "Another great book to the series! ... [Sabrina 's Storm] is an interesting story with family, love, ghosts and believing in yourself. It's well written, flows fluidly and is an enjoyable read." — Bookbub Reviewer "If you enjoy well-written contemporary romances with a paranormal twist, you will most likely enjoy [Jenny's Justice] and the others in this wonderfully written series." — Jamie Bee (Reading Fanatic Reviews) "[Stella's Star] was mysterious and sweet but also intriguing as I was sucked into what happened to Stella right along with the characters. Loved the location as I felt I was actually there." Mari (Mari Loves Books Blog) "This paranormal romantic suspense novella is AMAZING! I loved [Gigi's Gift] so much! It is clever and fun, exciting and sweet. Engaging, lovely characters!" —Booksprout Reviewer "I was glued to the pages reading. Loved and recommend [Phoenix's Phantom]." —Booksprout

One Moment In Time Novels by CB Samet

"Talton shines in weaving together the mystery elements of the plots with historical events from the Prohibition period. Fast-paced, gritty, and exciting, this one will have fans of both Depression-era and southwestern-set crime fiction begging for more!" —Booklist, Starred Review A fresh take on classic noir, City of Dark Corners reveals the seedy underbelly of the budding city of Phoenix in the 1930s and the lengths one man will go to uphold justice no matter the cost. Phoenix, 1933: A young city with big dreams and dark corners Great War veteran and rising star Gene Hammons lost his job as a homicide detective when he tried to prove that a woman was wrongly convicted of murder to protect a well-connected man. Now a private investigator, Hammons makes his living looking for missing persons—a plentiful caseload during the Great Depression, when people seem to disappear all the time. But his routine is disrupted when his brother—another homicide detective, still on the force—enlists his help looking into the death of a young woman whose dismembered body is found beside the railroad tracks. The sheriff rules it an accident, but the carnage is too neat, and the staging of the body parts too ritual. Hammons suspects it's the work of a "lust murderer"—similar to the serial strangler whose killing spree he had ended a few years earlier. But who was the poor girl, dressed demurely in pink? And why was his business card tucked into her small purse? As Hammons searches for the victim's identity, he discovers that the dead girl had some secrets of her own, and that the case is connected to some of Phoenix's most powerful citizens—on both sides of the law. Perfect for fans of David Baldacci and historical mysteries, City of Dark Corners puts readers at the heart of the fear and uncertainty of the Great Depression and the lawlessness of America during prohibition. Additional praise for City of Dark Corners: "This gritty stand-alone deals with Phoenix's rough-and-tumble past and its questionable police force in the 1930s. Talton excels at creating the ambiance of historic Phoenix. [Suggested] for fans of realistic historical mysteries or Phoenix Noir." —Library Journal, Starred Review "References to movie actors and other celebrities of the day, as well as speakeasies and bootleggers, lend atmosphere to this well-crafted tale involving desperate people who could easily disappear." —Publishers Weekly

Voting Rights ACT Xlibris Corporation

John Howard lived in Chicago and in the San Francisco Bay Area, two areas with enthusiastic football fans. While teaching history, his love for sports and an avid season ticket holder led him to spend several years coaching basketball and football. Like many fans he thought bad calls changed the outcome of some games albeit few in number. All sports rely on the integrity of referees and with a touch of imagination came the thought of what would happen if any one referee purposely overlooked infractions or intentionally made bad calls. With retirement came the story: Questionable Calls.

Review of the Administration of the Immigration and Nationality Act Taylor & Francis

With more than one million people behind bars, the United States imprisons a larger share of its population than any other industrialized nation. This has precipitated a serious overcrowding problem with federal and state prisons currently operating well beyond capacity. Conventional efforts appear unable to cope with the increasing shortage of beds or with inadequate rehabilitation services. A bold solution is required; increasingly it is being seen to reside in the private sector. This timely volume explores the issues of private versus public financing, construction, and management of medium-and high-security prisons. Private prisons are not a new concept in the United States. They have existed in several forms since the eighteenth century. The opening chapters evaluate historical cases of prisons for profit, examining the concerns of labor, abuses of inmates, and the source and resolution of disputes between private and public sectors. These chapters argue that the experience gained through privatization does not justify current opposition from civil libertarians or labor unions. Chapters dealing with the modern contracting out of complete management and limited services document the growing trend toward privatization and instances of public/private partnership in prison industries. The assembled evidence indicates clearly that privately run prisons have shown significant cost savings and good quality of provision for prisoners while still being profitable. However, the authors caution that these promising results must be reinforced by public safeguards in the contracting stage and monitoring to assure good service and security. With the American prison system in disarray, the public interest demands that government look beyond the public or private identity of those who wish to provide correctional services and focus instead on who can provide the best services at a given cost. It is essential to state that correctional services should attain several objectives and not merely cost minimization. The analysis and recommendations presented here will aid in the task. Privatizing Correctional Institutions will be of interest to law-enforcement officials, public policy analysts, penologists, and criminologists. *Telephone Answering Service Sourcebooks, Inc.* This is the journey of the author from the time she meets her soulmate, Manny Twofeathers,

until the time of his passing. Their sixteen years together, the highs and the lows, the adventures and the tragedies. All the while she suffers from bi-polar disorder and it examines how she overcomes episodes, including one instance where she very nearly loses it all. The doctors were thinking of sending her to one of those places where you don't come out. Some highlights of the book are after being a single entrepreneur at thirty-three, she ends up being a mother of six children before knowing Twofeathers a year! Their first book he wrote sold to Hyperion publishing for \$72,000 advance, which was unheard of for a first time author. A fascinating read, it moves quickly through the inside view of a love story that is hard to put down.

Records & Briefs New York State Appellate Division Routledge

When prosecuting attorney Jenny Wiley sees the ghost of a murder victim, her hunt for justice thrusts her into a world of secrets and danger. Can Jenny stop the killer, or will she be the next victim? Assistant district attorney Jenny Wiley never imagined she'd find herself trying to help a man wrongly accused of murder. But when the ghost of the victim appears only to her, Jenny must join forces with defense attorney Beau Montrose to conduct her own investigative work. When Jenny's sleuthing puts her career and life in danger, she's forced to decide just how far she'll go for truth and justice. A fast-paced, clean enemies-to-lovers romantic suspense thriller with a paranormal twist from award-winning author CB Samet. The Romancing the Spirit Series are clean romance tales that can be enjoyed in any order. *** "This is an intriguing story that had me glued to the pages right from the first page. The author brings a cast of strong well developed characters centering on Jenny and Beau and weaves a fantastic story filled with tons of action, drama, anxiety, danger and fear as well as mystery and .. oh, can't forget .. Cecilia , a ghost. And along the way ... romance. The story moves fluidly with her detailed and descriptive writing and she delivers a true page turner. I loved and would recommend this book." -Bookbub Reviewer "This is the book 14 in the amazing Romancing the Spirit Series, and paranormal romantic suspense. I love this Series of novellas! Jenny and Beau's story is well written and captivating. The story has romance, action, and twists and turns. I highly recommend this Series." -Goodreads Reviewer "I have enjoyed every book in this author's Romancing the Spirit series, of which this book is a part. Yet again, she pulled me right in... The author surprised me at how well she wrote the first part that seems like just a regular contemporary romance; it did not surprise me at how well she wove in the paranormal element, as that is certainly a hallmark of her writing this series. If you enjoy well-written contemporary romances with a paranormal twist, you will most likely enjoy this book and the others in this wonderfully written series." -

One man's worldwide entrepreneurial adventure...and how to follow in his footsteps Part memoir, part practical guide for any budding entrepreneur, *Chicken Lips, Wheeler-Dealer and the Beady-Eyed M.B.A.* is the story of how one man abandoned a cushy publishing job in Manhattan to pursue his dream of working for himself. Spanning eleven years, the book tells the sometimes moving, sometimes funny, and always inspiring story of Frank Farwell, who rediscovered a forgotten product from China and cashed in on a readily defined American market niche. A fascinating look at the transitional years of modern China, the book is packed with helpful information for anyone keen to leave well-paid tedium for the Wild West of self-employment. As the interest in self-employment rises, *Chicken Lips, Wheeler-Dealer, and the Beady-Eyed M.B.A.* fills an important niche. Covering the successes and failures that mark the path of the committed entrepreneur, the book entertains and instructs using concrete, real-life examples that clearly illustrate the dos and don'ts of running your own business. A non-fiction look at the world of self-employment that uses a real-life story to illustrate successes and pitfalls Includes a "Lessons Learned" appendix that succinctly explain the most important takeaways for starting your own business A compelling insight into entrepreneurship that spans continents The story of a tenderfoot company and its neophyte boss who maneuvers his way in and out of trouble to ultimately build a business that is still thriving today, *Chicken Lips, Wheeler-Dealer, and the Beady-Eyed M.B.A.* is a fascinating, informative look at entrepreneurship in the twenty-first century.
