Verbal Behavior Harper Collins  
The perfect picture book for the holiday, this hilarious twist on the traditional Thanksgiving feast features Turkey as he hops from hiding place to hiding place to avoid ending up as the main course. With Thanksgiving only one day away, can Turkey find a place to hide from the farmer who's looking for a plump bird for his family feast? Maybe he can hide with the pigs . . . or the ducks . . . or the horses . . . Uh-oh! Here comes the farmer! Run, Turkey, run!

**If You Give a Moose a Muffin** Simon and Schuster

The authors provide tools, tips, and examples for teaching vocabulary in this complementary companion to *Bringing words to life*.

Run, Turkey, Run! Paul H Brookes Publishing Company  
What does an elephant do? It stomps its foot. Can you?  
From the creator of such

beloved classics as *The Grouchy Ladybug* and *The Mixed-Up Chameleon* comes this interactive story that invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals! Alligators wiggle, elephants stomp, gorillas thump, and giraffes bend. Can you do it? 'I can do it!' is the confidence-building message of this fun-filled interactive picture book. A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. Just as alphabet books introduce the very young child to letters and simple words,

---

From Head to Toe introduces the basic body parts and simple body movements. And in the same way that children progress from understanding simple words to reading and writing sentences and stories, so they will progress from simple body movements to dancing, gymnastics, and other sports and activities, with confidence and pleasure. Eric Carle's colorful collages have delighted children for more than a generation. Each book provides hours of fun while encouraging them to stretch their imaginations. His matchless words and illustrations now send out a new challenge: Are you ready? Here we go! Move yourself From Head to Toe. A Main Selection of the Children's Book-of-the-Month Club

The Handbook for Evidence-based Practice in Communication Disorders  
Univ. Press of Mississippi

If you were a snowman, what job would you choose? Ten years ago, on the publication of *Snowmen at Night*, we discovered the secret lives of snowmen. While we humans sleep, the snowmen go sledding, play baseball, and drink cocoa. But now it's revealed that snowmen don't just play all night--they have jobs to do, just like the parents of human kids. Dentists replace missing coal from snowman smiles while pet store owners help pair snowkids with their very own snowpuppy or snowfish to love. The pizza man delivers frozen pizza, and factory workers make the coolest toys in town. This fourth book in the New York Times bestselling *Snowmen* series is a gleeful,

goofy delight. Kids will love spotting the silly details in each illustration, and the hidden pictures too. (They can look on the back side of the book jacket for a key to all that's concealed within.)

*Playing With Purpose* Tandem Speech Therapy, PLLC

Third-grader Braden loves to be the center of attention. His comic genius, as he sees it, causes his friends to look at him in awe. But some poor decisions, like ill-timed jokes, forces the adults in Braden's life to teach him about impulse control.

La Silla de Pedro HarperCollins

Read and find out about the magical process of how leaves change their color in this colorfully illustrated nonfiction picture book. This book includes simple, fun diagrams that help introduce concepts like photosynthesis and the different types of leaves. This book also includes a list of the best spots to view leaves changing color as well as simple activities to do with leaves, like leaf rubbings and leaf pressings. Questions addressed in this book include: How do leaves feed trees? What kind of weather brings out the best colors? Why is winter a time of rest for trees? Read and find out in the proven winner *Why Do Leaves Change Color?* This is a Level 2 Let's-Read-and-Find-Out, which means the book explores more challenging concepts for children in the primary grades. The 100+ titles in this leading nonfiction series are: hands-on and visual acclaimed and trusted great for classrooms Top 10 reasons to love LRFOs: Entertain and educate at the same time Have appealing, child-centered topics Developmentally appropriate for emerging readers Focused; answering questions instead of using survey approach Employ engaging picture book quality illustrations Use simple charts and graphics to improve visual literacy skills Feature hands-on activities to engage young scientists Meet national science education standards Written/illustrated by award-winning authors/illustrators & vetted by an expert in the field Over 130 titles in print,

Things That Go Sticker Puzzles Building Block Books

When Brigid asks for colored markers, she assures her mother that she will use them responsibly, but one day the temptation becomes too great.

Oxford University Press

A must have classic for all baby bedtimes and gifting opportunities. Good night, Gorilla. . . Good night, Elephant. . . It's bedtime at the zoo, and all the animals are going to sleep. Or are they? Who's that short, furry guy with the keys in his hand and the mischievous grin?

Sneak along behind the zookeeper's back and see who gets the last laugh in this riotous good-night romp. The new generous trim size of every toddler's favorite book is even easier to share. With a warm, funny author's note highlighting how much this book has meant to kids and families since it was first published and some clever new details hidden in the illustrations, Good Night, Gorilla is the perfect gift for new babies as well as fans young and old. Look for Peggy Rathmann's other lively favorites 10 Minutes Till Bedtime and The Day the Babies Crawled Away.

Teach Me to Talk Pro-Ed

If a big hungry moose comes to visit, you might give him a muffin to make him feel at home. If you give him a muffin, he'll want some jam to go with it. When he's eaten all your muffins, he'll want to go to the store to get some more muffin mix. In this hilarious sequel to If You Give a Mouse a Cookie, the young host is again run ragged by a surprise guest. Young readers will delight in the comic complications that follow when a little boy entertains a gregarious moose.

*Hoo Hoo Who?* Simon and Schuster

Follow along as one sneeze turns a town upside down! Just one "KA-CHOO" causes a whole chain of hilarity, from a splashing turtle to a wet hen, to a flying policeman, a sinking boat, and just about everyone crashing a circus parade! Readers young and old will be entertained by this silly story. So turn the page and find out what could possibly happen next! Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations. Smaller than the classic large format Seuss picture books like *The Lorax* and *Oh, The Places You'll Go!*, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too!

Creating Robust Vocabulary Penguin

From the creator of *Splat!* comes more playful, irreverent, kid-empowering fun--with a rhyming twist. In this buoyant rhyming romp, words have gone mysteriously missing: Who stole Marlow's happy smile, and replaced it with a crocodile? Who swiped Dingle's sneeze--aaaaachooo!--and left a stinky cheese? The thief took Tumble's orange, and switched it with a . . . with a . . . Hey, does anything rhyme with orange? No? Aha! Could this be the rhyming robber's undoing? Guided by bright, clever artwork, kids are empowered to put the final clues together for themselves to solve this silly rhyme crime, then guess at the name-nabber's next sneaky move. Splendid,

---

satisfying, inspiring. "Rhyiming wordplay. . . [and] even more hysterical laughter." --Kirkus  
"The creator of Splat! offers more page-turn-based tomfoolery" --Booklist

Guide to Communication Milestones

New York : Appleton-Century-Crofts

A young girl spends a glorious fall day picking apples and searching for the perfect pumpkin in this refreshed classic with audio. "When red and yellow leaves are on the trees," a little girl goes with her parents to a farm where they pick apples and choose "the best pumpkin of them all." Back home, she helps to carve a grinning jack-o'-lantern face on the big orange pumpkin, which guards their doorstep on halloween night while her mother hands out shiny red apples and she and her father go trick-or-treating with the neighborhood ghosts and goblins. Bold, autumn-colored paintings and a simple but lively story capture a little girl's joy and satisfaction as she shares in the excitement of the fall season.

**The Little Old Lady Who Was Not Afraid of Anything** Penguin

The day before Christmas, snuggled on his floor, Bear sleeps soundly with a great big snore. "Dear Bear. Get up!" Mouse shouts in his ear. "We won't let you sleep through Christmas this year." Bear's friends are determined that he's awake for Christmas and they get him up from his hibernation on Christmas Eve. Bear is excited to experience the holiday with his friends and tries very hard to stay awake, helping to find the right Christmas tree, making mint tea and singing carols. Finally, though, it's his friends who have fallen asleep - and Bear Stays Up! He makes food and presents for his friends, not noticing that Father Christmas has also come to visit. Christmas morning dawns bright and

happy for all!

Describes what a young dinosaur should do in order to quickly get over being sick. Ridiculous! Scholastic Inc.

The young reader may fill in the appropriate personal data to complete his "very own" autobiography.

Evidence-based Medicine Bloomsbury USA Childrens

Children with specific language impairment (SLI) show a significant deficit in spoken language that cannot be attributed to neurological damage, hearing impairment, or intellectual disability. More prevalent than autism and at least as prevalent as dyslexia, SLI affects approximately seven percent of all children; it is longstanding, with adverse effects on academic, social, and (eventually) economic standing. The first edition of this work established Children with Specific Language Impairment as the landmark reference on this condition, considering not only the disorder's history, possible origins, and treatment but also what SLI might tell us about language organization and development in general. This second edition offers a complete update of the earlier volume. Much of the second edition is completely new, reflecting findings and interpretations based on the hundreds of studies that have appeared since the publication of the first edition in 1997. Topics include linguistic details (descriptive and theoretical), word and sentence processing findings, genetics, neurobiology, treatment, and comparisons to such conditions as autism spectrum disorders, ADHD, and

---

dyslexia. The book covers SLI in children who speak a wide range of languages, and, although the emphasis is on children, it also includes studies of adults who were diagnosed with SLI as children or are the parents of children with SLI. Written by a leading scholar in the field, *Children with Specific Language Impairment* offers the most comprehensive, balanced, and unified treatment of SLI available.

*Woof! Woof! Woof! Woof!* Div Biscuit and the little girl are going trick-or-treating on his first Halloween. What kinds of silly surprises are in store for them? Pull back the flaps to find out!

[Happy Halloween, Biscuit!](#) Harper

Collins

The snowmen are getting their Halloween costumes ready for the latest board book in this New York Times bestselling series. Look for the hidden image on every page! Have you ever built a snowman and discovered the next day that his grin has gotten a little crooked, or his tree-branch arms have moved? And you've wondered . . . what do snowmen do when we're not watching? After an early snowfall, a few kids build some snowmen before going trick-or-treating. And when the kids go off to bed, the snowmen have their own Halloween festival! There's candy and apple-bobbing and costume contests and all sorts of autumn activities. When the kids wake up the next morning, the snowmen are gone . . . but they've left a very special message behind.
