Home Improvement Contractor Career Examination Passbooks

This GED study guide combines theory and practice questions so that students are fully prepared before writing the exam. While other guides only provide around 200 questions, this guide has 723 questions along with answer explanations. There are 3 full-length tests included so that test takers will have enough practice before attempting the real exam. Newstone Test Prep provides students with up-to-date test questions so that they are well prepared before taking the exam. We take pride in our guides because they combine both theory and test questions. At Newstone Test Prep, we do not just compile test questions; we compile the same number of questions as the real exams, in the same format. This has been a great help for past students because they were able to simulate the real exam while studying.

Also Available As: The FNP Certification Review App! Praise for the First Edition: This is a well written, comprehensive review aimed at preparing readers for successfully completing a board certification exam...This is a wonderful comprehensive review in a concise study guide format.--Doody's Medical Reviews The second edition of this acclaimed FNP review continues to promote efficient, time-saving study by synthesizing the key content needed to pass the NP Certification Exam into a concise, well-organized format. Using test-taking strategies meticulously developed by the author, the Review provides unique question dissection techniques, targeted key content review, 600 in-depth practice questions, and detailed, current exam information in a fast facts style. This second edition includes new chapters on pediatrics and adolescence and an extensive new section on geriatrics that encompasses body/metabolic changes, common disorders, and hospice/ethical considerations. The book also presents an expanded, intensive pharmacology review, 100 new exam questions, and is the only review to offer a new research chapter providing elements of research needed for E-B practice. The book reviews the complete lifespan from pediatrics to geriatrics and including pregnancy, and covers non-clinical content including ethics, medico-legal issues, advanced practice law, and reimbursement guidelines. The review of primary care disorders is organized by body system. The content is applicable for certification exams for both the ANCC and the AANP. This book is also a great companion to the FNP Certification Review app, coming soon for your iPhone or iPad! New to this edition: Reorganized for greater ease of use Provides extensive new section on geriatrics Contains expanded coverage of pediatrics and adolescence Offers expanded intensive-style pharmacology review Presents elements of research needed for E-B practice Includes 100 new questions for a title of 600 high-yield questions Why use this review? Delineates strategic question dissection techniques for study success developed by the author, a leading provider of exam preparation education for over 20 years Provides precisely targeted content review Offers 600 in-depth practice questions and detailed exam information Includes Exam Tips and Clinical Tips to help prioritize test content. It is the only book to present elements of research needed for E-B practice Outlines normal findings and benign variants in physical assessment of each body system Includes succinct review of diseases commonly seen in primary care It's a great companion to the forthcoming FNP Certification Review app!
