How often do you

consult the answer

key for word

searches? If you are

like most people, the answer is rarely, if ever. So instead of setting aside precious space for an answer key, this book gives you more fun puzzles to solve. In a book of this size, that translates into about 500 more, for a total of 1,556 puzzles with 31,120 words -- all offered to you for a price that is far lower than similarly sized word search books. Word Searching Without A Net makes a fresh voice in game book publishing, as a challenge to yourself, or to call your friends' bluff when they tell you they are such word search experts that they never need to check the answer key anyway. And yes, all the words are in the puzzles, no tricks, promise! From the back cover: 1,556 Puzzles 31,120 Words No Answer Key Are you up for the challenge?----- A fresh voice in game book publishing, Charles Waterford is committed to bringing you the finest puzzle collections, in the firm belief that top quality means top fun! All books published by Charles Waterford are printed on thick, non-bleed-through paper, in contrast to the newsprint puzzle books you find in most grocery store checkout aisles. They make perfect gifts

for the puzzle lover
in your life.

Are you sick of the same old
word search books over and

over again? Let me guess, it's a block of random letters with thirty loosely-related boring words to find, over and over and over again until your brain rots? Not this book! This is a real word-searcher's word search book, and I truly believe it is the best one out there - especially if you're an adult looking for something more engaging. Sometimes it's a little tougher than typical word searches, but it's nothing you can't handle! It is great for all ages - kids and adults alike - and though some of the trivia questions, concepts, and words may be unfamiliar to a younger

audience, they can still find and circle the words, and maybe learn something new! There are additional puzzles within the 115 word searches in this book, there are interesting words, there are interesting word lists, a little trivia, a little humor, and it's pretty large print. If you're new to these kinds of puzzles, it's a great book to start with, and if you've been doing word searches for years, it's a great book to get next. It's a great gift for you, a loved one, or even a not-so-loved one. It's great for airplanes, trains, cars, and possibly boats. It's handcrafted with love, and I promise you

will enjoy it.
