Discover how many evangelical leaders, willingly or unwittingly, are undermining the authority of God's Word by compromising the Bible in Genesis. Learn how allowing for an old/universe of billions of years unlocks a door of compromise. Heed the wake-up call to the Church to return to the authority of God's Word, beginning in Genesis. Today, most Bible colleges, seminaries, K-12 Christian schools, and now even parts of the homeschool movement do not accept the first eleven chapters of Genesis as literal history. They try to fit the supposed billions of years into Genesis, and some teach evolution as fact. Our churches are largely following suit. Ken Ham, international speaker and author on biblical authority, examines how compromise starting in Genesis, particularly in regard to the six days of creation and the earth's age, have filtered down from the Bible colleges and seminaries to pastors—and finally to parents and their children. This erosive legacy is seen in generations of young people leaving the Church—2/3 of them. Get the facts, discover God's truth, and help bring a new reformation to the Church by helping to call it back to the authority of God's Word.
