Every believer needs to ask three big questions: What do I believe? What should I do? And who am I becoming? In Think, Act, Be Like Jesus, bestselling author and pastor Randy Frazee helps readers grasp the vision of the Christian life and get started on the journey of discipleship. After unfolding the revolutionary dream of Jesus and showing how our lives fit into the big picture of what God is doing in the world, Frazee walks readers through thirty short chapters exploring the ten core beliefs, ten core practices, and ten core virtues that help disciples to think, act, and be more like Jesus Christ. This compelling new book can be used in conjunction with the 30-week all-church Believe campaign or read separately as an individual study. Either way, readers will deepen their understanding of what it means to not just know the Story of God, but to live it.

The pressure to generate big ideas can feel overwhelming. We know that bold innovations are critical in these disruptive and competitive times, but when it comes to breakthrough thinking, we often freeze up. Instead of shooting for a \$10-billion payday or a Nobel Prize, the most prolific innovators focus on Big Little Breakthroughs—small creative acts that unlock massive rewards over time. By cultivating daily micro-innovations, individuals and organizations are better equipped to tackle tough challenges and seize transformational opportunities. How did a convicted drug dealer launch and scale a massively successful fitness company? What core mindset drove LEGO to become the largest toy company in the world? How did a Pakistani couple challenge the global athletic shoe industry? What simple habits led Lady Gaga, Banksy, and Lin-Manuel Miranda to their remarkable success? Big Little Breakthroughs isn't just for propeller-head inventors, fancy-pants CEOs, or hoodie-donning tech billionaires. Rather, it's a surpassingly simple system to help everyday people become everyday innovators.
