The New Answers Book 1 | Answers in Genesis
To help readers learn to ask questions before, during, and after reading, think aloud the next time you are reading a book, article, or set of directions. Write each question on a post-it note and stick it on the text you have the question about. You may be surprised at how many typically unspoken questions you ponder, ask, and answer as you read.

Favorite answer: I believe that people should have sex only in marriage because marriage commits two people to care for each other and for their children (who are too weak to care for themselves). Of course they should have fun in bed; but children result from having sex. Children need their parents and parents need a stable cooperative bond in order to nourish and protect them.

The book contains a selection of questions and answers originally published on his blog What If?, along with several new ones. The book is divided into several dozen chapters, most of which are devoted to answering a unique question. What If? was released in September 2, 2014 and was received positively by critics.
