Chemistry: A Molecular Approach

4, Nivaldo J. Tro - Amazon.com

An atoms-first approach that
actively engages students in
learning chemistry and becoming
expert problem solvers. With
Chemistry: Structure and
Properties, author Nivaldo
Tro incorporates his engaging
and precise narrative to tell
the story of chemistry with an
atoms-first approach. This
approach emphasizes that matter
is particulate – composed of
particles – and the structure
of those particles determines
the properties of matter.

Chemistry 4th Edition by Tro

...

Nivaldo Tro presents
chemistry visually through

multi-level
images-macroscopic, molecular,
and symbolic
representations-helping
readers see the connections
between the world they see
around them (macroscopic),
atoms and molecules that
compose the world (molecular),
and the formulas they write
down on paper (symbolic).
