Journal your way to contentment in just 90 days.
#1 New York Times best-selling author Rachel Cruze guides you on a 90-day journey toward contentment--one where you actually love your life and not someone else's. Let's be honest: We've all compared ourselves to others. You

scroll through social media and see someone's latest vacation and think, "Must be nice..." Just like that, you feel like your life isn't good enough. Rachel knows the struggle is real because she's experienced the same thing. So, she created a 90-day journal to help you stop comparing your life to others and be happier than you've ever been. The Contentment Journal is divided into 30-day increments: The first 30 days focus on gratitude - where you'll recognize the blessings in your life. The next 30 days focus on humility - where you'll think of others more and of yourself a little less. The last 30 days focus on contentment - where you'll be happy for others and not want what they have. Study after study backs up that your relationships, health, decision-making skills, kindness, and even sleep can get better with gratitude. The Contentment Journal will help you grow and change in ways you can't yet imagine. Through personal stories and daily writing prompts, Rachel will guide you day by day, week by

week to feeling more thankful. Motivational quotes and reflection pages will encourage you to keep going! If you give Rachel 5-10 minutes a day for 90 days, she'll help you adjust your whole outlook, so you avoid the comparisons and experience lasting contentment.

Harper Collins

"The newbie investor will not find a better guide to personal finance." —Burton Malkiel, author of *A RANDOM WALK DOWN WALL STREET* TV analysts and money managers would have you believe your finances are enormously complicated, and if you don't follow their guidance, you'll end up in the poorhouse. They're wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling *Pound Foolish*, he made an offhand suggestion: everything you need to know

about managing your money could fit on an index card. To prove his point, he grabbed a 4" x 6" card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

What does the Bible really say about
money? About wealth? How much does
God expect you to give to others? How
does wealth affect your friendships,
marriage, and children? How much is
“enough”? There’s a lot of bad
information in our culture today about
wealth?and the wealthy. Worse, there’s a
growing backlash in America against our
most successful citizens, but why? To
many, wealth is seen as the natural result
of hard work and wise money
management. To others, wealth is viewed
as the ultimate, inexcusable sin. This has

left many godly men and women confused
about what to do with the resources God’s
put in their care. They were able to build
wealth using God’s ways of handling
money, but then they are left feeling guilty
about it. Is this what God had in mind?
