A Study Guide for Tom Stoppard's "Dogg's Hamlet, Cahoot's Macbeth" Bermond Press

Gertrude and Claudius are the "villains" of Hamlet: he the killer of Hamlet's father and usurper of the Danish throne, she his lusty consort, who marries Claudius before her late husband's body is cold. But in this imaginative "prequel" to the play, John Updike makes a case for the royal couple that Shakespeare only hinted at. Gertrude and Claudius are seen afresh against a background of fond intentions and family dysfunction, on a stage darkened by the ominous shadow of a sullen, erratic, disaffected prince. "I hoped to keep the texture light," Updike said of this novel, "to move from the mists of Scandinavian legend into the daylight atmosphere of the Globe. I sought to narrate the romance that preceded the tragedy."

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER

• NEW YORK TIMES BESTSELLER • "Of all the stories that argue and speculate about Shakespeare's life ... here is a novel ... so gorgeously written that it transports you." —The Boston Globe In 1580's England, during the Black Plague a young Latin tutor falls in love with an extraordinary, eccentric young woman in this "exceptional historical novel" (The New Yorker) and best-selling winner of the Women's Prize for Fiction. Agnes is a wild creature who walks her family's land with a falcon on her glove and is known throughout the countryside for her unusual gifts as a healer, understanding plants and potions better than she does people. Once she settles with her husband on Henley Street in Stratford-upon-Avon she becomes a fiercely protective mother and a steadfast, centrifugal force in the life of her young husband, whose career on the London stage is taking off when his beloved young son succumbs to sudden fever. A luminous portrait of a marriage, a shattering evocation of a family ravaged by grief and loss, and a tender and unforgettable re-imagining of a boy whose life has been all but forgotten, and whose name was given to one of the most celebrated plays of all time, Hamnet is mesmerizing, seductive, impossible to put down—a magnificent leap forward from one of our most gifted novelists.

Hamlet: A Study Guide for Pearson Edexcel A-Level English Literature Penguin

A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction... Edgy, accurate, and darkly witty... Think Beckett,

think Pynchon, think Gaddis. Think." --Sven Birkerts, *The Atlantic*

Hamlet: A Study Guide for WJEC Edugas A-Level English Literature BookCaps Study Guides

Hamlet is a tragedy by William Shakespeare, believed to have been written between 1599 and 1601. The play, set in Denmark, recounts how Prince Hamlet exacts revenge on his uncle Claudius, who has murdered Hamlet's father, the King, and then taken the throne and married Hamlet's mother. The play vividly charts the course of real and feigned madness—from overwhelming grief to seething rage—and explores themes of treachery, revenge, incest, and moral corruption.

Gertrude and Claudius Bloomsbury Publishing

A comprehensive study guide offering in-depth explanation, essay, and test prep for William Shakespeare's Hamlet, one of the most powerful and influential works of world literature. As a tragedy of revenge from the seventeenth-century, Shakespeare mirrors the most fundamental themes and problems common of the Renaissance. Moreover, the play essentially demonstrates the difficulty of knowing the truth about other people and the power that knowledge can have. This Bright Notes Study Guide explores the context and history of Shakespeare's classic work, helping students to thoroughly explore the reasons it has stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As

The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.

A Hamlet Commentary: Teaching Copy Hamlet Study Guide

One of the four great tragedies—alongside Hamlet, King Lear, and Macbeth—Othello is among the darkest of Shakespeare's plays, illuminating the shadows of the gloomiest recesses of the human psyche and serving as a damning indictment of the world in which it was written. A cautionary tale of the destructiveness of sin and the ruinous consequences of bad philosophy, Othello seems to express Shakespeare's rage at the cynicism and brutality of the age in which he lived.

From the Machiavellian menace of Iago to the blind and prideful jealousy of Othello, this classic of world literature shows us the shadow falling over a society that has turned its back on the light and life of virtue. The Ignatius Critical Editions present a tradition-oriented approach to reading Western classics. While many critical editions view literature through the lens of modernism and post-modernism, this series offers critical examinations informed by the Judeo-Christian heritage as passed down through the ages—the same heritage that provided the crucible in which the great authors formed these classic works. Edited by acclaimed literary biographer Joseph Pearce, the Ignatius Critical Editions provide essays and footnotes that analyze works in light of the Western tradition, allowing the reader to meet the authors in their element. The series is ideal for academic study and for anyone wishing to understand the great literary works of Western civilization in the company of some of the finest literature professors alive today.

A practical guide Random House

Timeless Shakespeare—designed for the struggling reader and adapted to retain the integrity of the original play. These classic plays retold will grab a student's attention from the first page. Also included are teaching suggestions, background notes, summaries, and answer keys. The guide is digital and only available on CD-ROM; simply print the activities you need for each lesson.

The Lincoln Highway Harcourt Brace (Canada)

Acclaimed as a modern dramatic masterpiece, *Rosencrantz & Guildenstern are Dead* is the fabulously inventive tale of Hamlet as told from the worm's-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare's play. In Tom Stoppard's best-known work, this Shakespearean Laurel and Hardy finally get a chance to take the lead role, but do so in a world where echoes of *Waiting for Godot* resound, where reality and illusion intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modern playwrights overnight when *Rosencrantz and Guildenstern Are Dead* opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous times in the major theatrical centers of the world. It has won top honors for play and playwright in a poll of London Theater critics, and in its printed form it was chosen one of the "Notable Books of 1967" by the American Library Association.
