#### Modernization in Japan A.

In Japan, there's a more  
serious national effort to reach  
this level of modernization and  
military capacity. Wealth and  
strength, that's what it's all  
about, wealth and strength.

And they lead one to another.  
National wealth can lead to  
national strength. And then  
national strength can increase  
national wealth.
