Comprehensive coverage of all essential kindergarten math topics in one easy-to-use bundle! Math educator Kate Snow gives parents the tools they need to teach math with confidence. This scripted, open-and-go program leads parents' step-by-step through teaching all the concepts a kindergartner needs to master: counting to 100, writing numbers, beginning addition and subtraction, shapes and patterns, coins, time, and measurement. Short, lively lessons will hold a child's attention by incorporating movement, games, and everyday household objects. Simple, colorful worksheets prepare kindergartners for pencil-and-paperwork that they'll encounter in first grade. Snow demystifies math by including recommendations for wonderful math picture books to enjoy together, plus specific ways to help children apply math to real life throughout the week. Beyond just telling parents what to do, Kindergarten Math With Confidence also helps them understand why the lessons are designed the way they are, giving them the knowledge and confidence to help their children learn. Using Kindergarten Math With Confidence will allow parents to build a strong math foundation for their children.
