How to Answer the Extract Question AQA Literature Paper 1 8702

The belief that your "section" of the country has needs that are more important than the country in general. The South was generally more "sectional" than other parts of the country, but at times the West and the Northeast was guilty of this also. Sectionalism is also sometimes referred to as "states' rights."

Ok so basically the whole paper is about sectionalism and how it led to the civil war. In the paper it is mostly about economic differences Between the north and the south. The north was

mostly industrial and south focused more on farming and slavery. So I need a conclusion. Here is what I have so far. Sectionalism was an important cause of the Civil War.
