[American Headway, Level 2](#) OXFORD University Press

This book explores the social construction of age in the context of EFL in Mexico. It is the first book to address the age factor in SLA from a social perspective. Based on research carried out at a public university in Mexico, it investigates how adults of different ages experience learning a new language and how they enact their age identities as language learners. By approaching the topic from a social constructionist perspective and in light of recent work in sociolinguistics and cultural studies, it broadens the current second language acquisition focus on age as a fixed biological or chronological variable to encompass its social dimensions. What emerges is a more complex and nuanced understanding of age as it intersects with language learning in a way that links it fundamentally to other social phenomena, such as gender, ethnicity and social class.

[Railway Engineering and Maintenance of Way](#) Farrar, Straus and Giroux

Breaking down the monolithic business into its individual industries ... the hospitals, doctors, insurance companies, drug manufacturers ... that together constitute our healthcare system, Rosenthal tells the story of the history of American medicine as never before. The situation is far worse than we think, and it has become like that much more recently than we realize. Hospitals, which are managed by business executives, behave like predatory lenders, hounding patients and seizing their homes. Research charities are in bed with big pharmaceutical companies, which surreptitiously profit from the donations made by working people. Americans are dying from routine medical conditions when affordable and straightforward solutions exist. Dr. Rosenthal explains for the first time how various social and financial incentives have encouraged a disastrous and

immoral system to spring uporganicallyin a shockingly short span of time. The system is in tatters, but we can fight back.

American Headway 1 Oxford University Press, USA
NAMED A TOP 10 NOVEL OF 2017 BY THE WALL STREET JOURNAL AND VOGUE, A BEST BOOK OF 2017 BY ESQUIRE, HUFFINGTON POST, POP SUGAR, ELECTRIC LITERATURE AND KIRKUS, AND A 2017 NPR GREAT READ. ONE OF DWIGHT GARNER'S TOP BOOKS OF 2017 IN THE NEW YORK TIMES. A NEW YORK TIMES BOOK REVIEW EDITOR'S CHOICE AND A FINALIST FOR THE CHICAGO REVIEW OF BOOKS FICTION AWARD. "Like Margaret Atwood's *The Handmaid's Tale*, [The Answers] is also a novel about a subjugated woman, in this case not to a totalitarian theocracy but to subtler forces its heroine is only beginning to understand and fears she is complicit with." --Dwight Garner, New York Times
Mary Parsons is broke. Dead broke, really: between an onslaught of medical bills and a mountain of credit card debt, she has been pushed to the brink. Hounded by bill collectors and still plagued by the painful and bizarre symptoms that doctors couldn't diagnose, Mary seeks relief from a holistic treatment called Pneuma Adaptive Kinesthesia—PAKing, for short. Miraculously, it works. But PAKing is prohibitively expensive. Like so many young adults trying to make ends meet in New York City, Mary scours Craigslist and bulletin boards for a second job, and eventually lands an interview for a high-paying gig that's even stranger than her symptoms or the New Agey PAKing. Mary's new job title is Emotional Girlfriend in the "Girlfriend Experiment"—the brainchild of a wealthy and infamous actor, Kurt Sky, who has hired a team of biotech researchers to solve the problem of how to build and maintain the perfect romantic relationship, casting himself as the experiment's only constant. Around Kurt, several women orbit as his girlfriends with specific functions. There's a Maternal Girlfriend who folds his laundry, an Anger Girlfriend who fights with him, a Mundanity Girlfriend who just hangs around his loft, and a whole team of girlfriends to take care of Intimacy. With so little to lose, Mary falls headfirst into Kurt's messy, ego-driven simulacrum of human connection. Told in Catherine Lacey's signature spiraling, hypnotic prose, *The Answers* is both a mesmerizing dive into the depths of one woman's psyche and a critical look at the conventions and institutions that infiltrate our most personal, private moments. As Mary struggles to understand herself—her body, her city, the trials of her past, the uncertainty of her future—the reader must confront the impossible questions that fuel Catherine Lacey's work: How do you measure love? Can you truly know someone else? Do we even know ourselves? And listen for Lacey's uncanny answers.

[New Headway](#)

A controversial, intelligent, and mordantly funny new novel from France's most famous literary figure Paris, 2022. François is bored. He's a middle-aged lecturer at the Sorbonne and an expert on J. K. Huysmans, the famous nineteenth-century "decadent" author. But François's own decadence is considerably smaller in scale. He sleeps with his students, eats microwave dinners, reads the classics, queues up YouPorn. Meanwhile, it's election season. And although François feels "about as politicized as a hand towel," things are getting pretty interesting. In an alliance with the socialists, France's new Islamic party sweeps to power. Islamic law comes into force. Women are veiled, polygamy is encouraged, and François is offered an irresistible academic advancement--on condition that he convert to Islam. Adam Gopnik in *The New Yorker* has said of this novel that "Houellebecq is not merely a satirist but--more unusually--a sincere satirist, genuinely saddened by the absurdities of history and the madnesses of mankind." Michel Houellebecq's *Submission* may be satirical and melancholic, but it

is also hilarious; a comic masterpiece by one of France's great novelists.
