Anthem Fantasy Castle Books

One of the first classic dystopian fiction novels (science fiction), which tells about the love of a man and a woman! This edition is distinguished by: modern, clean, and pleasant to read font, discussing dystopian fiction as a sub-genre of science fiction. About the novel: Anthem is a dystopian fiction novella by Russian-American writer Ayn Rand, written in 1937 and first published in 1938 in the United Kingdom. The story takes place at an unspecified future date when mankind has entered another Dark Age. Technological advancement is now carefully planned and the concept of individuality has been eliminated. About the plot: Equality 7-2521, a 21-year-old man writing by candlelight in a tunnel under the earth, tells the story of his life up to that point. He exclusively uses plural pronouns ("we", "our", "they") to refer to himself and others. He was raised like all children in his society, away from his parents in collective homes. He believes he has a "curse" that makes him learn quickly and ask many questions. He excels at the Science of Things and dreams of becoming a Scholar, but when the Council of Vocations assigns his Life Mandate, he is assigned to be a Street Sweeper... Anthem (Wisehouse Classics Edition) (2016)
Bloomsbury Publishing

How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About Anthem by Ayn Rand Anthem is a dystopian fiction novella by Ayn Rand. It takes place at some unspecified future date when mankind has entered another dark age. Technological advancement is now carefully planned and the concept of individuality has been eliminated. Plot: Equality 7-2521, writing by candlelight in a tunnel under the earth, tells the story of his life up to that point. He exclusively uses plural pronoun(s) ("we", "our", "they") to refer to himself and others. He was raised like all children in his society, away from his parents in collective homes. Later, he realized that he was born with a "curse", that makes him learn quickly and ask many questions. He excelled at the Science of Things and dreamed of becoming a Scholar. However, a Council of Vocations assigns all people to their Life Mandate, and he was assigned to be a Street Sweeper. Equality 7-2521 accepts his street sweeping assignment as penance for his "Transgression of Preference" in secretly desiring to be a Scholar. He works with Union 5-3992 and International 4-8818, who is Equality's only friend (which is another Transgression of Preference). He found an entrance to a tunnel in their assigned work area. Despite International's protests that any exploration unauthorized by a Council is forbidden, Equality entered the tunnel and found that it contains metal tracks. Equality realized that the tunnel is from the Unmentionable Times of the distant past. He began sneaking away from his community to use the tunnel as a laboratory for scientific experiments. He stole paper and is using it to write his journal. He is now 21 years old. While cleaning a road at the edge of the City, Equality meets Liberty 5-3000, a 17-year-old Peasant girl who works in the fields. He commits another transgression by thinking constantly of her, instead of waiting to be assigned a woman at the annual Time of Mating. She has dark eyes and golden hair, and he names her "The Golden One". When he speaks to her, he discovers that she also thinks of him. Later he reveals his secret name for

her, and Liberty tells Equality she has named him "The Unconquered".

Atlas Shrugged Bloomsbury Publishing USA

2 B R 0 2 B' is a short story by renowned science fiction writer Kurt Vonnegut. The title is pronounced as "2 B R naught 2 B", referencing to the famous phrase "to be, or not to be" from William Shakespeare's 'Hamlet'. In this story, the title refers to the telephone number one dials to schedule an assisted suicide with the Federal Bureau of Termination. The setting is a society in which aging has been cured, individuals have indefinite lifespans, and population control is used to limit the population of the United States to forty million. This is maintained through a combination of infanticide and government-assisted suicide. In short, in order for someone to be born, someone must first volunteer to die. As a result, births are few and far between, and deaths occur primarily by accident.

Divided City National Geographic Books

After the publication of Atlas Shrugged in 1957, Ayn Rand occasionally lectured in order bring her philosophy of Objectivism to a wider audience and apply it to current cultural and political issues. These taped lectures and the question-and-answer sessions that followed not only added an eloquent new dimension to Ayn Rand's ideas and beliefs, but a fresh and spontaneous insight into Ayn Rand herself. Never before available in print, this publishing event is a collection of those enlightening Q & As. This is Ayn Rand on: ethics, Ernest Hemingway, modern art, Vietnam, Libertarians, Jane Fonda, religious conservatives, Hollywood Communists, atheism, Don Quixote, abortion, gun control, love and marriage, Ronald Reagan, pollution, the Middle East, racism and feminism, crime and punishment, capitalism, prostitution, homosexuality, reason and rationality, literature, drug use, freedom of the press, Richard Nixon, New Left militants, HUAC, chess, comedy, suicide, masculinity, Mark Twain, improper questions, and more.

Study Guide Gale, Cengage Learning

"Using the Document-Based Questions Technique for Literature: Ayn Rand's Anthem takes a new look at a classic you teach every year. Primary source documents related to the theme and subject of Anthem are arranged under an overarching unit question, followed by questions that help a student make connections between literature and their own experiences. Writing and discussion prompts encourage analysis and synthesis. Writing prompts can be used for each document but also are building blocks to a longer, final essay. Includes an author biography, historical context, a synopsis of the novel, and a character chart. The Answer Key includes context and extra information about each document so you can enrich your lesson. Nonfiction, primary sources, poetry, and artwork add historical perspective and create contemporary connections with a classic, which encourage: Comprehension and Analysis: Students relate varied genres to the novel, deepening their interaction with the text. Reading: Timely and relevant pieces engage student interest. Integration of Knowledge and Ideas: Evaluation activities involve students in analysis and synthesis of subject and theme. Writing: Analytical and creative research questions and writing prompts inspire students to think more critically about the novel and engage with the text. A final essay synthesizes learning and activities. Application: Individual and group activities allow students to use their knowledge of the novel in new and exciting ways." -- Publisher's website

2 B R 0 2 B Penguin

Ayn Rand here sets forth the moral principles of Objectivism, the philosophy that holds human life--the life proper to a rational being--as the standard of moral values and regards altruism as incompatible with man's nature, with the creative requirements of his survival, and with a free society. Penguin

Anthem is Ayn Rand's classic tale of a dystopian future of the

great "We"-a world that deprives individuals of a name or independence-that anticipates her later masterpieces, The Fountainhead and Atlas Shrugged. Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in the United Kingdom. The story takes place at an unspecified future date when mankind has entered another Dark Age. Equality 7-2521 is a young man who yearns to understand "the Science of Things", but he lives in a bleak, dystopian future where independent thought is a crime and where science and technology have regressed to primitive levels. All expressions of individualism have been suppressed in his world: Personal possessions are nonexistent, individual preferences are condemned as sinful, and romantic love is forbidden. Obedience to the collective is so deeply ingrained that the very word "I" has been erased. In pursuit of his quest for knowledge, Equality 7-2521 struggles to answer the questions that burn within him. Ayn Rand Answers Penguin

Anthem has long been hailed as one of Ayn Rand's classic novels, and a clear predecessor to her later masterpieces, The Fountainhead and Atlas Shrugged. In Anthem, Rand examines a frightening future in which individuals have no name, no independence, and no values. Equality 7-2521 lives in the dark ages of the future where all decisions are made by committee, all people live in collectives, and all traces of individualism have been wiped out. Despite such a restrictive environment, the spark of individual thought and freedom still burns in him--a passion which he has been taught to call sinful. In a purely egalitarian world, Equality 7-2521 dares to stand apart from the herd--to think and choose for himself, to discover electricity, and to love the woman of his choice. Now he has been marked for death for committing the ultimate sin. In a world where the great "we" reign supreme, he has rediscovered the lost and holy word--"I." This Ultimate Book Club edition also includes an overview of the story, discussion questions and fun facts for the perfect book club gathering. This modern minimalist design will look sleek on a coffee table or bookshelf and a great way to get your classic novel collection started. Fools Crow Createspace Independent Publishing Platform The revolutionary literary vision that sowed the seeds of Objectivism, Ayn Rand's groundbreaking philosophy, and brought her immediate worldwide acclaim. This modern classic is the story of intransigent young architect Howard Roark, whose integrity was as unyielding as granite...of Dominique Francon, the exquisitely beautiful woman who loved Roark passionately, but married his worst enemy...and of the fanatic denunciation unleashed by an enraged society against a great creator. As fresh today as it was then, Rand ' s provocative novel presents one of the most challenging ideas in all of fiction--that man ' s ego is the fountainhead of human progress... " A writer of great power. She has a subtle and ingenious mind and the capacity of writing brilliantly, beautifully, bitterly...This is the only novel of ideas written by an American woman that I can recall. " ---The New York Times Ayn Rand's Anthem Lexington Books

In this first book-length study of Ayn Rand's anti-utopia Anthem, essays explore the historical, literary, and philosophical themes presiding in this novella written in opposition to the totalitarianism of the Soviet Union (and Nazi Germany). Written in 1937, published in 1938 in Britain, and subsequently in a revised form in the United States in 1946, Anthem investigates the importance of the ego and freedom, and the individual against the state. Editor Robert Mayhew has collected a variety of essays dealing with such topics including: the history behind the novella's creation, publication, and reception; its connection to other anti-utopian novels; and, the significance of ego and freedom, which it portrays and defends. This book is important to philosophers as well as readers looking to gain a better understanding of Ayn Rand and Anthem.

Autarchies Penguin

The 25th-anniversary edition of "a novel that in the sweep and inevitability of its events...is a major contribution to Native American literature." (Wallace Stegner) In the Two Medicine Territory of Montana, the Lone Eaters, a small band of Blackfeet Indians, are living their immemorial life. The men hunt and mount the occasional horse-taking raid or war party against the enemy Crow. The women tan the hides, sew the beadwork, and raise the children. But the year is 1870, and the whites are moving into their land. Fools Crow, a young warrior and medicine man, has seen the future and knows that the newcomers will punish resistance with swift retribution. First published to broad acclaim in 1986, Fools Crow is James Welch's stunningly evocative portrait of his people's bygone way of life. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide

authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

CliffsNotes on Rand's Anthem Prabhat Prakashan

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, The Fountainhead and Atlas Shrugged. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

Anthem GENERAL PRESS

What does it take to change the world? The "epic adventure" (Booklist) of a band of unlikely heroes on a quest to save one innocent life who may end up saving us all. For decades, Judge Margot Burr-Nadir has worked tirelessly, case by case, to administer justice from the federal bench of the Eastern District of the United States. Her position already seems like the highest possible honor. So she is surprised when a call comes from the President of the United States inviting her to accept his nomination to the Supreme Court—not least because in choosing her, in an unprecedented attempt to heal a divided nation, the President has reached across party lines. For Margot, this should be among the brightest spots of an already charmed existence. But the call comes on a family trip to visit their oldest daughter, Story, who has, without warning, vanished as if spirited away in the middle of the night by forces unseen. Margot soon finds herself thrust onto the national stage in the middle of every parent's worst nightmare. The desperate search for Story's whereabouts soon intersects with the mission of teenagers Simon Oliver, Louise Conklin, and a young man known only as the Prophet. Together, they have escaped from the Float Anxiety Abatement Center in Chicago on the trail of a man known as The Wizard: an unimaginably wealthy, almost mythical figure of unspeakable evil who has for years been taking whatever he wants without reaping the consequences. Stopping him, this band of young people hopes to accomplish what their elders can't or won't do: fix a broken world. Noah Hawley's new novel is an adventure that finds unquenchable lights in dark corners. Unforgettably vivid characters and a plot as fast and bright as pop cinema blend in a Vonnegutian story that is as timeless as a Grimm's fairy tale. It is a leap into the idiosyncratic pulse of the American heart, written with the bravado, literary power, and feverish foresight that have made Hawley one of our most essential writers.

History of the Rain A&C Black

THE 25TH ANNIVERSARY EDITION—The definitive statement of Ayn Rand's philosophy as interpreted by her best student and chosen heir. This brilliantly conceived and organized book is Dr. Leonard Peikoff's classic text on the abstract principles and practical applications of Objectivism, based on his lecture series "The Philosophy of Objectivism." Ayn Rand said of these lectures: "Until or unless I write a comprehensive treatise on my philosophy, Dr. Peikoff's course is the only authorized presentation of the entire theoretical structure of Objectivism—that is, the only one that I know of my knowledge to be fully accurate." In Objectivism, Peikoff covers every philosophic topic that Rand regarded as important—from certainty to money, from logic to art, from measurement to sex. Drawn from Rand's published works as well as in-depth conversations between her and Peikoff, these chapters illuminate Objectivism—and its creator—with startling clarity. With Objectivism, the millions of readers who have been transformed by Atlas Shrugged and The Fountainhead will discover the full philosophical system underlying Ayn Rand's work.

Anthem Hyperink Inc

The title 'Anthem' is derived as an anthem to sense of self and self-governing thoughts. Anthem is a story of Equality 7-2521 who is a young man living in some unspecified future time and place. In this future era freedom and individual rights have been eradicated. The starring character of the novel is an inquisitive street cleaner. He lives in a society where people have lost their knowledge of individualism, to the extreme that people do not know words like 'I' or 'mine'. All the people live and work for their livelihood in collective groups, along with the people with power, namely the 'Councils'. There are many types of councils namely the Council of Vocations, Council of Scholars etc. The society is where all the terminology of individualism is completely restrained. They emphasize the principle that all are equal and should remain that way. Equality was an outstanding student during childhood and was very interested in learning. He wanted to become a scholar in the Council, but for his thought, he was punished by the Council which is responsible

for assigning jobs to each individual. They punished him by assigning him the job of street sweeper. Equality had a thirst for knowledge that he secretly satisfy by sneaking into a tunnel every evening, where he was alone. He used the time to write, think and to perform some scientific experiments. Soon he falls in love with a woman named Liberty 5-3000. The book enumerates the quest for knowledge by this young man who struggles to find answers for many burning questions. These questions lead him to discover the mystery behind his society and the key to freedom. You'll find the book hard to put down as it tackles the question of expressing love in a society that does not recognize it. The title 'Anthem' is derived as an anthem to sense of self and self-governing thoughts. Anthem is a story of Equality 7-2521 who is a young man living in some unspecified future time and place. Now he has been marked for death for committing the ultimate sin. In a world where the great "we" reign supreme, he has rediscovered the lost and holy word—"I."

The Fountainhead Laurel Leaf

The philosophy of Ayn Rand has had a role equal or greater than that of Milton Friedman or F.A. Hayek in shaping the contemporary neo-liberal consensus. Its impact was powerful on architects of Reaganomics such as Alan Greenspan, former Director of the World Bank, and the new breed of American industrialists who developed revolutionary information technologies in Silicon Valley. But what do we really know of Rand's philosophy? Is her gospel of selfishness really nothing more than a reiteration of a quintessentially American "rugged individualism"? This book argues that Rand's philosophy can in fact be traced back to a moment, before World War I, when the work of a now-forgotten German philosopher called Max Stirner possessed an extraordinary appeal for writers and artists across Europe. The influence of Stirnerian Egoism upon that phase of intense creative innovation we now call Modernism was seminal. The implications for our understanding of Modernism are profound — so too for our grasp of the "cultural logic of late capitalism". This book presents the reader with a fresh perspective on the Modernist classics, as well as introducing less familiar art and writing that is only now beginning to attract interest in the West. It arrives at a fresh and compelling re-evaluation of Modernism: revealing its selfish streak.
