**Anthropology: The Exploration of Human Diversity McGraw-Hill Education**  
Written by one of the prominent scholars in the field, this concise, up-to-date text provides a carefully balanced introduction to core topics in the four subfields of general anthropology--physical anthropology, archeology, linguistics, and cultural anthropology--as well as contemporary changes in the field. Since no single or monolithic theoretical perspective orients this book, instructors with a wide range of views and approaches can use it effectively. The combination of brevity and readability make Window on Humanity a perfect match for general anthropology courses that use readings or ethnographies along with a main text.

**Looseleaf for Anthropology: Appreciating Human Diversity McGraw-Hill Education**  
A recent National Academy of Sciences inductee, Conrad Phillip Kottak offers an up-to-date holistic introduction to general anthropology from the four-field perspective. Kottak emphasizes why anthropology should matter to students and how students can use anthropology to better understand themselves. "Bringing It All Together" essays found on the online learning center demonstrate the integrated and comparative nature of anthropology. New "Through the Eyes of Others" essays offer the perspectives of foreign students and recent graduates who present their own cultures of origin in contrast with contemporary American culture. Thought-provoking questions now begin each chapter to highlight key themes and spark discussions and critical thinking.

*Cultural Anthropology* Routledge

A leading name in anthropology, Conrad Philip Kottak continues to define student learning in the cultural anthropology course. Cultural Anthropology offers an up-to-date holistic introduction to anthropology from the four-field perspective. Mirror for Humanity Routledge

The Handbook of Methods in Cultural Anthropology, now in its second edition, maintains a strong benchmark for understanding the scope of contemporary anthropological field methods. Avoiding divisive debates over science and humanism, the contributors draw upon both traditions to explore fieldwork in practice. The second edition also reflects major developments of the past decade, including: the rising prominence of mixed methods, the emergence of new technologies, and evolving views on ethnographic writing. Spanning the chain of research, from designing a project through methods of data collection and interpretive analysis, the Handbook features new chapters on ethnography of online communities, social survey research, and network and geospatial analysis. Considered discussion of ethics, epistemology, and the presentation of research results to diverse audiences round out the volume. The result is an essential guide for all scholars, professionals, and advanced students who employ fieldwork.

Anthropology Routledge

Anthropologists travel back in time and across the globe to understand human culture?but, surprise, there is culture right here in the United States. This second edition of the best-selling textbook and anthology, Reflecting on America, again focuses on how we can recognize the common cultural thread running through diverse American phenomena?from heroin addiction and Big Business?s efforts to shape the identities of children, to Civil War reenactments and the popularity of burlesque in the Midwest. In addition, this second edition includes chapters written especially for this volume on striptease, Burning Man, The Big Bang Theory TV show, and Groundhog Phil. Written throughout with verve and quirky humor, and offering ?Questions for discussion? after every article, this book is perfect for undergraduate classes in anthropology and American studies. Drawing together twenty-two scholars with expertise in anthropological ideas about culture, Reflecting on America examines what it means to be American.

Made in Madagascar Routledge

The book uses anthropological methods and insights to study the practice of anthropology. It calls for a paradigm shift, away from the publication treadmill, toward a more profile-raising paradigm that focuses on addressing a broad array of social concerns in meaningful ways.

Cultural Anthropology Jill Potash

On Being Different provides an up-to-date, comprehensive, and interdisciplinary account of diversity and multiculturalism in the United States and Canada. Kottak and Kozaitis clarify essential issues, themes, and topics in the study of diversity, including ethnicity, religion, gender, and sexual orientation. The book also presents an original theory of multiculturalism, showing how human agency and culture work to organize and change society. The authors use rich and varied ethnographic examples, from North America and abroad, to help students apply the material to their own lives, and thus gain a better understanding of diversity and multiculturalism.
