Biology, while super informative and

exciting to science junkies, can be a little dry.

It can also be pretty intimidating. However, we ' re going to look at the light side:

biology jokes! We definitely need to insert humor into biology. However, not literally into our biology. That could be painful. Or gassy. We ' ve scoured the web ...

In AP Biology (and the subject of biology as a whole), everything is connected. Tip 3: Hit Refresh. Remembering something right after you've studied it is one thing, and remembering it in the long term is another. After you get through a few sections of the AP Biology notes above, go back and do a quick review of all the information you've learned.
