Krakauer 's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the

---

profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately

after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short

---

life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de

force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

And, as a special bonus, you 'll also get a handy primer to help you prepare for the test-taking experience.

Discover how to: Figure out what the questions are actually asking Get a firm grip on all exam topics, from molecules and cells to ecology and genetics Boost your knowledge of organisms and populations Become equally comfortable with large concepts and nitty-gritty details Maximize your score on multiple choice questions Craft clever responses to free-essay

---

questions Identify your strengths and weaknesses Use practice tests to adjust your exam-taking strategy Supplemented with handy lists of test-taking tips, must-know terminology, and more, AP Biology For Dummies helps you make exam day a very good day, indeed.

Cliffsnotes AP Biology 2021 Exam McGraw Hill Professional Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou 's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother 's side in St. Louis, Maya is

attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ( " I met and fell in love with William Shakespeare " ) will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. " I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity. " —James Baldwin From the Paperback edition.

Zamperini was an incorrigible  
delinquent. As a teenager, he  
channeled his defiance into  
running, discovering a  
prodigious talent that had  
carried him to the Berlin  
Olympics. But when World  
War II began, the athlete  
became an airman, embarking  
on a journey that led to a  
doomed flight on a May  
afternoon in 1943. When his  
Army Air Forces bomber  
crashed into the Pacific  
Ocean, against all odds,  
Zamperini survived, adrift on  
a foundering life raft. Ahead of  
Zamperini lay thousands of

miles of open ocean, leaping  
sharks, thirst and starvation,  
enemy aircraft, and, beyond, a  
trial even greater. Driven to  
the limits of endurance,  
Zamperini would answer  
desperation with ingenuity;  
suffering with hope, resolve,  
and humor; brutality with  
rebellion. His fate, whether  
triumph or tragedy, would be  
suspended on the fraying wire  
of his will. Appearing in  
paperback for the first  
time—with twenty arresting  
new photos and an extensive  
Q&A with the  
author—Unbroken is an  
unforgettable testament to the  
resilience of the human mind,  
body, and spirit, brought  
vividly to life by Seabiscuit  
author Laura Hillenbrand.  
Hailed as the top nonfiction
