If you are writing a psychology paper for a class or for publication, you may be required to

include an appendix in APA format. An appendix is found at the end of a paper and contains information that supplements the text but that is too

unwieldy or distracting in the format to include in the main body of the paper. Abstracts and Appendices - APA 6th Edition Guide ... The appendices follow the reference list. They are lettered "Appendix A," "Appendix B," "Appendix C," and so forth. If you have only one appendix, however, simply label it Appendix. Put figures and tables in separate appendices.
