Please note: Some electronic citations necessitate the use of brackets; APA style dictates that brackets should directly surround their content without spaces (e.g., [bracketed content] should look like this). When possible, include the year, month, and date in references. If the month and date are not available, use the year of publication.

Research Guides: APA Citation Style, 6th Edition: Three to ...

APA is one of many referencing styles used in academic writing. APA stands for American Psychological Association. The Association outlines the style in the Publication manual of the American Psychological Association [APA] (6th ed.). UCOL programmes utilise the APA referencing style. There are many different referencing styles (over 100). It is essential to follow the style specified in your [APA \(6th edition\) Referencing Style - University of Bath](#)

The APA style manual suggests that you should only include electronic book references if the book is only available online or is very difficult to find in print. Your reference will be very similar to a regular print book reference, except the electronic retrieval information takes the place of the publisher's location and name.

Dictionary or encyclopaedia - APA 6th referencing style ...

Because electronic publishing has become a standard in research, the sixth edition provides an overview of electronic sources and how to reference them, specifically with URLs and DOIs. URLs, more commonly known as a web address, locate information housed on the Internet.

Your reference list should be ordered alphabetically by author and then chronologically by year of publication. The APA 6th style requires the references to be indented as illustrated below in the examples. For instances of multiple articles with the same authors and years of publication, please check the APA publication manual or Academic Writer. If you have the DOI for the journal article, you should include it in the reference, otherwise, it is not necessary.
