Referencing multiple chapters from same book If there are different authors for each chapter, you need to reference EACH chapter you use. If you use multiple chapters from a book with different authors for each chapter, you still need to reference EACH chapter you use.

APA Citation Style: How to format a chapter citation

A book is a work that is published once, not as part of a regular series. Books can be revised and republished: each revision is considered a new edition of the same book. More specifically, an edited book is one that is divided into chapters, each of which is written by a different author or group of authors. If the work you are using is not divided up in this way, go to the page, Books.
