References On the other hand, if the chapter comes from a book where each chapter is written by different authors (and the whole thing is put together by an editor), then provide a separate reference for each chapter that you used.

### Book chapters: What to cite - APA Style

An APA in-text citation includes only three items: the last name (s) of the author (s), the year the source was published, and sometimes the page or location of the information.

References include more information such as the name of the author (s), the year the source was

published, the full title of the source, and the URL or page range.
