Its for that reason no question simple and as a result fats, isnt it? You have to favor to in this sky

For Immediate Release

It's a brand of digital to analogue converter (best buy sells) that you have to have now if you have an older (years or so) TV.. I've been running in circles to find the code to enter into my TV/Directv remote so I could operate everything with one remote control.. I found a code that would work even though the Apex tech said it did not exist..
