Get HDTV and

get connected without getting confused! Buy wisely, surround yourself with sound, watch your movies in HD, and more. If HDTV looks appealing but the mountain of mumbo-jumbo has you peeling out the door, take heart! Finally, here's a plain-English explanation of what HDTV is and how to choose one, hook it up,

---

locate and access programming sources, and even how to connect your movie machines and Xbox for even more HD fun. Discover how to: Plan your HDTV system and choose the right equipment. Connect to programming sources. Add A/V entertainment gear and accessories. Access HDTV over your home network. Black Caiman Apex Predators of the Amazon R It's early morning in the Amazon rain forest. A large monkey is climbing through

the branches of a tall tree. Suddenly, there's a flash of white and black feathers. An enormous harpy eagle swoops between the leafy branches and snatches the monkey from the tree. Then the giant predator carries its prey high into the treetops and begins to eat. Filled with information perfectly suited to the abilities and interests of its primary-grade audience, this colorful, fact-filled book gives readers a chance not only to learn all about harpy eagles and their Amazon rain forest home, but also to develop their powers of observation and critical thinking. Built-in activities, such as figuring out how the bird's body is adapted for hunting, and investigating how much weight the eagle

can carry in its talons, give readers a chance to gain insights beyond the facts and figures.

the Amazon rain forest, a large black caiman waits in a slow moving, muddy river. Only the reptile's eyes and nostrils are visible above the water. The caiman is watching a young deer that has come to the river to drink. As the deer dips its head toward the water, the caiman attacks. In just a few seconds, the large predator has dragged the deer under the water. Filled with information perfectly suited to the abilities and interests of its primarygrade audience, this colorful, fact-filled book gives readers a chance to learn about the lives of apex predators. The book will also help readers develop their powers of observation and challenge them with activities and critical-

thinking questions about the caiman's physical characteristics, its everyday life, and its hunting abilities.

Apress  
Pro Oracle  
Application Express 4 is your key to mastering one of the most innovative products to come out of Oracle in years. Application Express, termed "APEX" for short, is fast becoming one of the easiest and most widely-used of tools for creating enterprise-level applications that run against an Oracle database. APEX is easy enough for power users to create ad-hoc applications atop something more reliable than a

---

spreadsheet. Yet APEX is powerful and extensible enough to enable fully-scalable, enterprise-level applications that are accessed by thousands of users. Authors Tim Fox, John Scott, and Scott Spendolini take you to the professional level in developing for Application Express. They show how to handle user authentication in enterprise environments and how to extend APEX by writing components based upon Oracle's new plug-in architecture. You'll learn to deal with localization issues such as time zones and

translations, and to customize the look and feel of an APEX website to blend in with your corporate branding strategy. The authors also cover web service development, performance and scalability, and the production issues that you encounter in enterprise-level deployments. Many years of experience in solving the “hard problems” are coalesced in this book to help you, the reader, take advantage of all that APEX has to offer. Focuses on high-end, enterprise-level development Covers new features such as plug-ins and Websheets Introduces the new

interface released with APEX 4.0

Fortune Apex Predators of the Amazon R

It's early morning in the Amazon rain forest. A caiman glides through the waters of a muddy river. Suddenly, with a huge splash, a jaguar leaps from its hiding place on the riverbank. In an instant, the jaguar sinks its sharp teeth into the caiman's thick, scaly skin. The caiman struggles and tries to fight back, but it's no match for the powerful jungle cat. Filled with information perfectly suited to the abilities and interests of its primary-grade audience, this colorful, fact-filled book gives readers a chance not only to

---

learn all about jaguars and their Amazon rain forest home, but also to develop their powers of observation and critical thinking. Built-in investigations, such as figuring out how the jaguar's fur pattern helps it to hunt, and measuring the predator's sharp canine teeth, give readers a chance to gain insights beyond the facts and figures. Celebrating the Holy Eucharist Apex Predators of the Amazon R Popular Mechanics inspires, instructs and influences readers to help them master the modern world. in science -- PM is the ultimate guide to our high-tech lifestyle. PC Mag Dark Horse Comics We are a Meritocratic Technarchy. We are the future of the human race. ' The world ' s nations have collapsed, and a handful of city states form the remains of civilization. Erstwhile Bangalore is now rebranded, ruled by the insidious Bell Corporation. Welcome to Apex City. Here, technology is the key to survival, productivity is power, and the

self must be engineered for the only noble goal in life: success. With the right image, values and opinions, you can ascend to the ranks of the Virtual elite and have the new world at your feet. The price of failure is deportation: you are marked an Analog, with no access to electricity, running water or your humanity. Lavanya Lakshmin arayan ' s extraordinary debut sinks its teeth into this dystopian future, offering a glimpse into a world we may be

---

dangerously close to inheriting. Brilliant, searing and imaginative, the stories in Analog/Virtual will make us question our choices and rethink who we want to be. Dark Horse Comics On February 17, 2009, analog television broadcasting in the United States will end. As of that date, all television stations will switch to digital TV broadcasts -- effectively making obsolete every analog television set in the country. What do you need to do to keep watching television after the switch to digital? Do you need to buy a new television set? If

so, what kind of set? Do you need a fancy high definition TV? Or is there a way to make your old TV still work with the new digital broadcasts? Should you switch to cable or satellite television? And what is digital television, anyway? These are just a few of the questions people are asking as the switch to digital TV approaches. All of these questions and more are answered in this short book. Don't be one of the tens of millions of people who are confused about the switch to digital TV and may lose their broadcast signal on February 17! Buy this book and take the guesswork out of the switch to digital TV! What you can learn in this book - o What is the difference is

between Digital TV and HDTV o How to switch your analog antenna reception to digital o What you need to do if you are a cable, DSL or satellite subscriber o How to connect a digital converter box o Tips on shopping for a new digital TV o Great solutions to your digital TV problems Apex Legends The X-ray equipment maintenance and repairs workbook is intended to help and guide staff working with, and responsible for, radiographic equipment and installations in remote institutions where the necessary technical support

---

is not available, to perform routine maintenance and minor repairs of equipment to avoid break downs.

The book can be used for self study and as a checklist for routine maintenance procedures.

There is an art to capturing a photo that tells a story. You need to know what belongs in the frame and what to leave out, what to emphasize in the photo that adds to the story, and how to use light, shape, and color all to express meaning while lending

aesthetic value to the image itself. Vincent Laforet – Pulitzer Prize-winning photographer and voted one of the "100 Most Influential People in Photography" by American Photo – gives a rare look into the art of photography through his lens as a master editorial and commercial photographer. This beautiful book contains full-color spreads, with scene details and technical information to help tell the visual stories of larger-than-life events such as Hurricane Katrina, the Olympic Games, and the war zone of Pakistan. With over 100 photos

included, you will gain important insights into how you can achieve similar looks—blending what the camera does with the stories you want to tell. Learn how the principles of photojournalism can be applied to telling stories with a single image. Use light, shape, and color to create rich photos that tell the story as well as add sensitivity to beauty and emotion. Learn how the relationship between foreground and background can be used to creatively produce images with strong impact, and choose lenses based on this discovery. Understand the

---

value of an image and convey a more in-depth story of the subject in any genre of photography, including landscapes, close-ups, portraits, action shots, aerials, and more. Receive an up-close and personal view of the author and his work by watching over 60 videos on the accompanying DVD. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?"

Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear. [PC Graphics & Video](#) Switching to Digital
