Oswaal Books and Learning Private Limited
Widely regarded as one of the most brilliant pieces of political satire ever published, "A Modest

Proposal" is Jonathan Swift's merciless skewering of England's treatment of Ireland's impoverished population in the eighteenth century. Nearly 300 years after its release, this shocking and outrageous essay still packs a punch. As part of our mission to publish great works of literary Fiction and nonFiction, Sheba Blake Publishing Corp. is extremely dedicated to bringing to the forefront the

amazing works of long dead and truly talented authors. True to Life Elementary Personal Study Workbook S. Chand Publishing Up-to-date, easy-to-follow coverage of electricity and electronics In Teach Yourself Electricity and Electronics, Fifth Edition, a master teacher provides step-by-step lessons in electricity and electronics fundamentals and applications. Detailed illustrations, practical examples, and hundreds of test questions make it easy to learn the material quickly. This fully revised resource starts with the basics and takes you through advanced applications, such as communications systems and robotics. Solve current-voltage-resistance-impedance problems, make power calculations, optimize

system performance, and prepare for licensing exams with help from this hands-on guide. Updated for the latest technological trends: Wireless Systems Fiber Optics Lasers Space Communications Mechatronics Comprehensive coverage includes: Direct-Current Circuit Basics and Analysis * Resistors * Cells and Batteries * Magnetism * Inductance * Capacitance * Phase * Inductive and Capacitive Reactance * Impedance and Admittance * Alternating-Current Circuit Analysis, Power, and Resonance * Transformers and Impedance Matching * Semiconductors * Diode Applications * Power Supplies * Bipolar and Field-Effect Transistors * Amplifiers and Oscillators * Digital and Computer Basics

This eBook edition of "The Social Contract" has been formatted to the highest digital standards and adjusted for readability on all devices. The Social Contract, originally published as *On the Social Contract*; or, *Principles of Political Rights* by Jean-Jacques Rousseau, is a 1762 book in which Rousseau theorized about the best way to establish a political community in the face of the problems of commercial society, which he had already identified in his *Discourse on Inequality* (1754). The Social Contract helped inspire political reforms or revolutions in Europe, especially in France. The

Social Contract argued against the idea that monarchs were divinely empowered to legislate. Rousseau asserts that only the people, who are sovereign, have that all-powerful right.

Life on the Mississippi is a memoir by Mark Twain detailing his days as a steamboat pilot on the Mississippi River before and after the American Civil War. The book begins with a brief history of the river. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' of an experienced pilot. He describes, with great affection, the science of navigating the ever-changing Mississippi River. In the second half, the book describes Twain's return, many years later, to travel on a steamboat from St. Louis to New Orleans. He describes the competition from railroads, the new, large cities, and his observations on greed, gullibility, tragedy, and bad architecture.

He also tells some stories that are most likely tall tales.

Simultaneously published in 1883 in the U.S. and in England, it is said to be the first book composed on a typewriter.

National Academies Press

The 1934 State of the Union Address was given by the 32nd president of the United States, Franklin D. Roosevelt. It was the first State of the Union address to be given in January.

Excerpt: "Now that we are definitely in the process of recovery, lines have been rightly drawn between those to whom this recovery means a return to old methods—and the number of these people is small—and those for whom recovery means a reform of many old methods, a permanent readjustment of many of our ways of

thinking and therefore of many of our social and economic arrangements... " A Modest Proposal Lulu.com The child's diary that awakened the conscience of the world When Zlata ' s Diary was first published at the height of the Bosnian conflict, it became an international bestseller and was compared to The Diary of Anne Frank, both for the freshness of its voice and the grimness of the world it describes. It begins as the day-to-day record of the life of a typical eleven-year-old girl, preoccupied by piano lessons and birthday parties. But as war engulfs Sarajevo, Zlata Filipovic becomes a witness to food shortages and the deaths of friends and learns to wait out bombardments in a neighbor ' s cellar. Yet throughout she remains courageous and observant. The result is a book that has the power to move and

instruct readers a world away.

The New York Times bestseller:
"You gotta read this. It is the
most exciting book about Pluto
you will ever read in your life."
—Jon Stewart When the Rose
Center for Earth and Space at
the American Museum of
Natural History reclassified Pluto
as an icy comet, the New York
Times proclaimed on page one,
"Pluto Not a Planet? Only in

New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

The Way to Rainy Mountain

recalls the journey of Tai-me, the sacred Sun Dance doll, and of Tai-me's people in three unique voices: the legendary, the historical, and the contemporary. It is also the personal journey of N. Scott Momaday, who on a pilgrimage to the grave of his Kiowa grandmother traversed the same route taken by his forebears and in so doing confronted his Kiowa heritage. It is an evocation of three things in particular: a landscape that is incomparable, a time that is gone forever, and the human spirit, which endures. Celebrating fifty years since its 1969 release, this new edition offers a moving new preface and invites a new generation of readers to explore the Kiowa myths, legends, and history with Pulitzer Prize – winning author N. Scott Momaday.
